# TOWN CLERK'S REPORT

## WARRANT FOR ANNUAL TOWN MEETING

**MARCH 7, 1960**

To either of the Constables of the Town of Stoneham, County  
of Middlesex, GREETING:

In the name of the Commonwealth of Massachusetts you are directed to notify and warn the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs to meet in Town Hall on

**Monday, March 7, 1960**

at six o'clock in the forenoon to act on the following articles of this warrant:

ARTICLE 1. To choose the following officers:

One (1) Moderator for one (1) year

Five (5) Selectmen for one (1) year

One (1) Assessor for three (3) years

One (1) Member of the Board of Public Welfare for three (3) years

Two (2) Members of the School Committee for three (3) years

One (1) Member of the School Committee for two (2) years

One (1) Member of the Trustees of the Public Library for one (1) year

Two (2) Members of the Trustees of the Public Library for three (3) years

One (1) Member of the Board of Health for three (3) years

One (1) Member of the Planning Board for five (5) years

One (1) Member of the Board of Public Works for three (3) years

Three (3) Constables for one (1) year

One (1) Member of the Stoneham Housing Authority for five (5) years

One (1) Member of the Stoneham Redevelopment Authority for five (5) years

And the following question:

Question No. 1. "Shall the Town pay one-half the premium costs payable by a retired employee for group life insurance and for group general or blanket hospital, surgical and medical insurance?"

All on one (1) ballot.

The polls will be opened at six o'clock in the forenoon and closed at eight o'clock in the evening.

For consideration of the following articles the meeting shall be adjourned to meet at 7:30 o'clock in the evening on Monday, March 14, 1960, in accordance with provisions of Section 2, Article 1 of the By-laws of the Town of Stoneham.

ARTICLE 2. To choose all other necessary town officers for the year ensuing in such manner as the Town may determine.

ARTICLE 3. To hear reports of the Town officers and committees, and to act thereon and to choose committees.

ARTICLE 4. To see if the Town will vote to fix the salaries of the several elective officers and boards of the Town for the current year.

ARTICLE 5. To see if the Town will vote to raise and appropriate or transfer from available funds such sums as may be necessary to defray Town charges for the ensuing year.

Town Accountant

ARTICLE 6. To see if the Town will vote to instruct the Board of Assessors to use the sum of \$150,000.00 for the reduction of the 1960 tax rate.

Board of Selectmen

ARTICLE 7. To see if the Town will vote to raise and appropriate a sum of money to pay unpaid bills incurred in previous years for the following specified purposes.

Town Accountant

ARTICLE 8. To see what action the Town will take for the disposition of all or any part of the unexpended balances of appropriations previously voted for specific purposes as follows:

Joan Avenue Construction (1959) .....	\$137.64
Webster Court Construction (1959) .....	1.19
Tar Sidewalk Reconstruction (1959) .....	73.09
Street Construction (Chapter 718 — 1959) ....	3.52
Chapter 90 Maintenance (1959) .....	51.29
Rubbish Truck Body (1959) .....	500.00
Pick-up Truck and Passenger Car (1959) .....	263.10
Sewer Kit and Sand Spreader Body (1959) ....	587.50
School Department Truck .....	5.33

Fire Station Doors .....	381.50
Infirmary Painting .....	32.60
Town Clerk's Office Counter .....	4.20
Treasurer's Billing Machine .....	9.30
Town Hall Auditorium Drapes .....	50.00

Town Accountant

ARTICLE 9. To see if the Town will vote to raise and appropriate a sum of money to be placed in the Stabilization Fund, said fund created and authorized by the vote passed under Article 84 of the warrant for the annual Town Meeting of 1953, in accordance with provisions of Section 5B, Chapter 40 of the General Laws, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto. Finance and Advisory Board

ARTICLE 10. To see if the Town will vote to authorize the Town Treasurer with the approval of the Selectmen, to borrow money, from time to time, in anticipation of the revenue of the financial year beginning January 1, 1960, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with provisions of Section 17, Chapter 44 of the General Laws.

Board of Selectmen

ARTICLE 11. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money, from time to time, in anticipation of the revenue of the financial year beginning January 1, 1961, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with provisions of Section 17, Chapter 44 of the General Laws.

Board of Selectmen

ARTICLE 12. To see if the Town will vote to accept provisions of Chapter 493, Acts of 1959, an act entitled "An Act Increasing the amounts of Pensions and Retirement Allowances payable to certain former public employees," raise and appropriate money therefor, or do anything in relation thereto.

Board of Selectmen

ARTICLE 13. To see if the Town will vote to accept provisions of Chapter 617, Acts of 1959, an act entitled "An Act Providing Survivor Benefits to Certain Eligible Widows and Children under the Contributory Retirement Law," raise and appropriate money therefor, or do anything in relation thereto.

Board of Selectmen

ARTICLE 14. To see if the Town will vote to authorize the Board of Health to make appointments from its own membership to the positions of Health Officer and Milk Inspector, raise and appropriate money for salaries of said officers, or do anything in relation thereto.

Board of Health

ARTICLE 15. To see if the Town will vote to raise and appropriate a sum of money to pay the rent of quarters or lease quarters for use of Leon E. Warren Camp, United Spanish War Veterans;

Stoneham Post No. 115, American Legion; Sgt. George J. Hall, Post No. 620, Veterans of Foreign Wars; Stoneham Chapter 107, Disabled American Veterans; World War 1 Veterans, Barracks 395; determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Selectmen

ARTICLE 16. To see if the Town will vote to amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan," by striking out in its entirety Section 10 and inserting in its place the following: "Section 10. Physical Examination. Every person hereinafter employed by the town subject to this plan shall undergo a physical examination. The examining physician shall be appointed by the Board of Selectmen and shall render to the Personnel Board a sealed report of the physical condition of the applicant stating whether or not he is qualified for the position sought. No applicant shall be employed until approved by the Personnel Board, who shall have discretion to accept or reject any applicant, decision to be based on the doctor's recommendation. After receipt of the report has been entered on the Personnel Board's records such report shall be deposited with the Personnel Board for safekeeping, the contents subject to future review only by the Personnel Board or a physician designated by the Selectmen, otherwise the report shall remain confidential."

Personnel Board

ARTICLE 17. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the General Business District, as heretofore defined and set forth, the following described area: Beginning at the point of intersection of Route 93 and the Stoneham-Winchester boundary line, on the westerly side of the said Route 93 on land now or formerly of Nora Theresa Mosley, thence the line runs in a southeasterly and southerly direction along the westerly boundary of the said Route 93, to land of the Metropolitan District Commission, then the line turns and runs southerly, southwesterly and westerly along land of the Metropolitan District Commission to the Stoneham-Winchester boundary line, thence the line turns and runs in a general northerly direction along the said Stoneham-Winchester boundary line to the point of beginning.

Planning Board

ARTICLE 18. To see if the Town will vote to amend the Zoning By-law by adding a new subsection to Article 1, Section 3, known as subsection 3, which shall read as follows:

"Article 1, Section 3 (Residence "B" Districts) Subsection 3. Professional building to include the office or studio of a physician, dentist, lawyer, architect, or artist, provided there is no display visible from the street, and no advertising except a professional name plate not exceeding nine inches in width and twenty-four inches in length."

Planning Board

ARTICLE 19. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the Retail Business District, as heretofore defined and set forth, so as to include in the Retail Business District the following described area:

Beginning at a point on the easterly side of Main Street 185 feet distant from the said Main Street at the boundary of land now or formerly of Tedd J. Syak and Charles L. and Lillian M. Simmons, thence continuing in an easterly direction to Central Street, thence turning and running in a general northerly direction along the said Central Street to land now or formerly of Charles and Frances V. Ezekian, thence turning and running westerly along land now or formerly of Charles and Frances V. Ezekian and John and Isabel Avedis to a point 185 feet easterly from Main Street, thence turning and running southerly along a line parallel to and 185 feet distant from Main Street to the point of beginning.

Tedd J. Syak

ARTICLE 20. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the Retail Business District, as heretofore defined and set forth, so as to include in the Retail Business District the following described area, to wit: a certain parcel of land being situated in Stoneham, Middlesex County, Massachusetts, on the easterly side of Main Street, and being shown as Lot 6 on a plan entitled "Plan of Colonial Court, Stoneham, Mass., owner William F. D'Annolfo, Dana F. Perkins and Sons, Inc. Civil Engineers and Surveyors, April 4, 1959," duly recorded in Middlesex South District Registry of Deeds in Book 9448 at Page 491 and being further bounded and described as follows:

Westerly by Main Street 50 feet; Northwesterly by a curved line forming the junction of Main Street and Colonial Court, 39.27 feet; Northerly by Colonial Court 135 feet; Northeasterly, easterly and southeasterly by a curved line by Colonial Court 157.08 feet; southerly by Colonial Court 135 feet; and southwesterly by the junction of Colonial Court and Main Street 39.27 feet, containing 17,159 square feet of land, more or less, according to said plan.

William F. D'Annolfo

ARTICLE 21. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the General Business District, as heretofore defined and set forth, so as to include in the General Business District the following described area:

Beginning at a point on the westerly side of Main Street 100 feet westerly from Main Street on the boundary of Lots 3 and 10 belonging now or formerly to Leonard and Dorothy Gianquitto, thence the line runs westerly and northwesterly along land now or formerly of the said Leonard and Dorothy Gianquitto and land now or formerly of Raymond and Agnes E. Stanley to a point at land now or formerly of Walter W. and Olive T. Webber, thence the line turns and runs northerly along land of the said Webber to Elm

Street, thence the line turns and runs easterly along Elm Street to a point 100 feet westerly from Main Street, thence the line turns and runs southerly along a line 100 feet westerly and parallel to Main Street to the point of beginning. Arthur M. Trodella

ARTICLE 22. To see if the Town will vote to raise and appropriate a sum of money to purchase new portable voting booths for use at elections, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, authorize the Town Clerk to make said purchase, or do anything in relation thereto. Town Clerk

ARTICLE 23. To see if the Town will vote to raise and appropriate a sum of money to purchase and equip one (1) new combination pump and service truck for use of the Fire Department, authorize the disposal of one (1) 1945 Dodge brush fire truck and one (1) 1931 Seagrave pump, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto. Fire Chief

ARTICLE 24. To see if the Town will vote to raise and appropriate a sum of money to purchase one (1) new Station Wagon for use of the Police Department, authorize the disposal of one (1) 1957 Ford Automobile now in service, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto. Acting Captain of Police

ARTICLE 25. To see if the Town will vote to raise and appropriate a sum of money to provide a new base station and antenna for the two-way radio communication unit at the Police Station, together with refurbishing the mast and other necessary work incidental thereto, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto. Acting Captain of Police

ARTICLE 26. To see if the Town will vote to raise and appropriate a sum of money to erect and equip a field house, so-called, with facilities for the public, at Recreation Park, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, authorize the acceptance of any gift from any organization, or do anything in relation thereto. Recreation Commission

ARTICLE 27. To see if the Town will sell to the Jewish Community Center, Inc., and the Temple Judea for use as a cemetery for its membership, a portion of land owned by the Town of Stoneham and now part of Lindenwood Cemetery, bounded as follows: Beginning at a point on Butler Avenue 50 feet from land of Dom-

enic and Anna M. Cimina, thence the line runs southwesterly along land of the Town of Stoneham and land now or formerly of Theodore P. and Natalie M. Alves, 200 feet to the easterly side of Richardson Avenue, thence northwesterly by the end of Richardson Avenue, 40 feet to a point; thence northwesterly by land of the Town of Stoneham 558.54 feet to a point; thence northeasterly by land now or formerly of Edna C. Lord 179.92 feet to a point, thence southeasterly by lots 19, 18, 17, 16, 15, and 14, 458.01 feet to a point; thence northeasterly by Lot 14, 43.69 feet to Butler Avenue; thence on a curved line by Butler Avenue, 90.30 feet to a point of curve; thence southeasterly by Butler Avenue, 47.95 feet to the point of beginning; this area containing 2.91 acres more or less; this area shall be subject to a 45 foot right of way, beginning at the south end of the proposed property and running from Butler Avenue to land of Town of Stoneham, Lindenwood Cemetery, a distance of 240 feet, more or less, more fully described on plan by Warren W. Mirick dated January 21, 1959.

Stoneham Jewish Community Center, Inc.

ARTICLE 28. To see if the Town will vote to raise and appropriate a sum of money for the purpose of defraying the cost of constructing water mains or relaying water mains within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 29. To see if the Town will vote to raise and appropriate a sum of money for the purpose of constructing sanitary sewer mains or relaying Sanitary sewer mains within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by transfer from the Stabilization Fund, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 30. To see if the Town will vote to raise and appropriate a sum of money to reconstruct certain existing tar sidewalks within the limits of the town, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 31. To see if the Town will vote to raise and appropriate a sum of money for the maintenance of highways which have been constructed with State and County aid, under the provisions of Chapter 90 of the General Laws, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 32. To see if the Town will vote to raise and appropriate, or transfer from available funds in the treasury, a sum of money for Chapter 90 highway construction or take any action in relation thereto.

Board of Public Works

ARTICLE 33. To see if the Town will vote to raise and appropriate a sum of money for labor, materials and other necessary expenses for the control of Dutch Elm Disease in accordance with provisions of Chapter 657, Acts of 1956, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 34. To see if the Town will vote to raise and appropriate a sum of money to defray the cost of constructing a storm drain from the existing manhole near Gilmore Street 280 feet, more or less, to the existing manhole south of Hersam Street, which will replace the existing stone box culvert, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 35. To see if the Town will vote to raise and appropriate a sum of money for the construction and equipping of an office building at the Pine Street yard for use of the Public Works Department, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 36. To see if the Town will vote to raise and appropriate a sum of money for the purpose of constructing a sanitary sewer in and through Pond Street from Gorham Avenue northerly 1350 feet, more or less, under the law relating to the assessment of betterments, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 37. To see if the Town will vote to raise and appropriate a sum of money for the construction of new bituminous concrete sidewalks in certain areas throughout the Town, said new sidewalk construction to be made under the laws relating to the assessment of betterments, that the Selectmen be authorized to obtain easements for the purpose of enabling the Town to enter upon private land where necessary, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 38. To see if the Town will vote to raise and appropriate a sum of money for the purpose of constructing sewers for surface drainage within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 39. To see if the Town will vote to raise and appropriate a sum of money for the purpose of erecting a chain link fence at the Robin Hood Playground, along sections of Oak Street and Magnolia Terrace, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 40. To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring by purchase a certain parcel of land for a Town dump, owned by now or formerly Joseph and Marie C. Mustone on Spring Lane, containing  $7\frac{3}{4}$  acres, more or less, being bounded and described as follows: Easterly by Spring Lane 216.5 feet, southerly 410.5 feet, southeasterly 98 feet, southerly 431 feet, westerly 110 feet, southerly 259 feet, southwesterly 279 feet, northeasterly 297 feet, northerly 595 feet, easterly 153 feet and northerly 246 feet to the point of beginning, said land being shown on Plan of land surveyed for E. W. Pierce by C. R. Herrick, C. E., dated November 1912, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 41. To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Public Works Department one (1) grass mower of approximately seven-foot cut and one (1) one-ton dump truck, authorize the disposal of one (1) 1955 Toro mower, and one (1) 1948 one and one-half ton Chevrolet truck, now in service, authorize the appointment of a committee to make said purchase and disposal, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 42. To see if the Town will vote to raise and appropriate a sum of money to purchase, for use of the Public Works Department, one (1) rubber-tired loader, with backhoe attachment, authorize the disposal of the Minneapolis-Moline Tractor, with Henry backhoe attachment now in service, authorize the appointment of a committee to make said purchase and disposal, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 43. To see if the Town will vote to raise and appropriate a sum of money to purchase, for use of the Public Works Department, one (1) one-half ton, four wheel drive, pick-up truck, authorize the disposal of one (1) 1951 one-half ton Ford pick-up truck now in service, authorize the appointment of a committee to make said purchase and disposal, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 44. To see if the Town will vote to raise and appropriate a sum of money to purchase shade trees, loam, materials and for other necessary expense incidental to shade tree planting, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 45. To see if the Town will vote to raise and appropriate a sum of money to pipe a portion of the drainage brook off Avalon Road, from the end of the existing pipe on the northerly side of property now or formerly of Edward F. Geary on Avalon Road a distance of 300 feet, more or less, northerly on land of the Town of Stoneham, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Edward F. Geary

ARTICLE 46. To see if the Town will vote to raise and appropriate a sum of money to pipe the drainage brook on the northerly side of Elm Street from MacArthur Road westerly to Washington Street, authorize the Selectmen to obtain easements for the purpose of enabling the Town to enter upon private land where necessary, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Reynold E. Davidson and 11 Others

ARTICLE 47. To see if the Town will vote to accept as public town ways the following ways as laid out by the Planning Board:

1. Drummond Road from Arlene Avenue to Paula Avenue
2. Paula Avenue from Erickson Street to Drummond Road
3. Janice Lane from Erickson Street to Hanford Road
4. Arlene Avenue from Erickson Street to Evergreen Road
5. Margaret Road from Rose Lane to Wagner Road.

Residents of Above Streets

ARTICLE 48. To see if the Town will vote to accept as public Town ways the following ways as laid out by the Planning Board:

1. Weld Road from Oak Street to Bonad Road

2. Atwood Avenue from Park Street to West Hancock Street  
Residents of Above Streets

ARTICLE 49. To see if the Town will vote to raise and appropriate a sum of money to pave any and all of the public ways accepted under the foregoing Article 48 of this warrant, under the laws relating to the assessment of betterments, that the Selectmen be authorized to obtain easements for the purpose of enabling the Town to enter upon private land where necessary, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing, or otherwise, or do anything in relation thereto.  
Residents of the Streets

ARTICLE 50. To see if the Town will vote to raise and appropriate a sum of money to update and revise the By-laws, Zoning By-laws, Board of Health Regulations, Plumbing Regulations, Building Regulations, Public Park Regulations and the Traffic Rules and Orders, authorize the appointment of a Committee for this purpose, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Stoneham Chamber of Commerce

ARTICLE 51. To see if the Town will vote to authorize the Moderator to appoint a committee to study the advisability of compiling and preparing a history of the Town of Stoneham and that the said committee make a report at the next annual Town Meeting.

Finance and Advisory Board

ARTICLE 52. To see if the Town will vote to raise and appropriate a sum of money for repairing and remodeling the Junior High School gymnasium, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, or otherwise do anything in relation thereto.

School Committee

And you are directed to have one thousand five hundred (1500) copies of the warrant printed and so serve the same by posting attested copies in at least ten (10) public places in the Town seven (7) days at least before the time for holding said meeting and by causing an attested copy to be published in some newspaper in the Town, the publication to be not less than three (3) days before said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid for distribution.

Hereof fail not and make due return of this warrant with your

doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given unto our hands this sixteenth day of February in the year one thousand nine hundred and sixty, A.D.

FRED A. SCHNEIDER

DONALD J. MORRISON

WILLIAM W. MACKAY

DANIEL L. HURLEY

STANLEY D. WOOD

Selectmen of Stoneham

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham qualified to vote in elections and Town affairs of the within meeting by posting attested copies in a least ten (10) public places in the Town on February 8, 1960, and by publishing duly attested copies of the said warrant in the Stoneham Independent on February 18, 1960, and in the Stoneham Press on February 25, 1960.

UGO M. ROLLI

Constable of Stoneham

## **ANNUAL TOWN MEETING, MARCH 7, 1960**

Agreeable to the warrant signed by the Selectmen on February 6, 1960, and in accordance with the By-laws of the Town of Stoneham, the inhabitants of the Town qualified to vote in elections and Town affairs met in Town Hall on Monday, March 7, 1960 at six o'clock in the forenoon.

The meeting was called to order by the Moderator and the warrant read.

Election officers, appointed by the Selectmen in accordance with the provisions of Chapter 54, Sections 19-22 inclusive, were sworn by the Town Clerk and assigned to duty. By unanimous consent of the Moderator and Town Clerk the ballot boxes were opened at three o'clock in the afternoon, and the ballots taken therefrom for the purpose of counting. Tellers, appointed by the Selectmen in accordance with Chapter 54, Section 21, to canvass and count the ballots were sworn by the Town Clerk and divided into groups of four, two Republicans and two Democrats in each group.

At eight o'clock in the evening the polls were declared closed at which time ballot box no. 1 registered 1872 and ballot box no. 2

registered 1826 as ascertained by the Town Clerk. The check lists at the gate had the names of 3698 voters as having received ballots, and the check lists at the ballot boxes had the names of 3698 voters as having cast ballots. Thirty-four (34) voters were recorded as having voted by absent ballot. The number of unused ballots returned to the Town Clerk was 5802.

Ballots Cast .....	3698

No .....	1382
Blanks .....	888

The question having received more affirmative votes than negative votes, was declared carried.

All requirements of the law having been complied with, the meeting was declared adjourned to meet in Town Hall on Monday, March 14, 1960 at 7:30 o'clock in the evening in accordance with provisions of Article 1, Section 2 of the By-laws of the Town of Stoneham.

All the foregoing truly entered.

WINTHROP A. McCARTHY, Town Clerk

## ADJOURNED ANNUAL TOWN MEETING, MARCH 14, 1960

Agreeable to the warrant signed by the Selectmen on February 16, 1960, and in accordance with the vote of adjournment at the annual Town Meeting held on March 7, 1960, the inhabitants of the Town of Stoneham qualified to vote in elections and Town affairs met in Town Hall on Monday, March 14, 1960 at 7:30 o'clock in the evening.

Tellers were appointed to check the names of voters entering the hall, and the check lists showed that one thousand one hundred eighty-five (1185) voters attended the meeting.

The meeting was called to order by the Moderator and the warrant read.

Article 2. VOTED that the Selectmen be authorized to appoint all other town officers whose appointment is not otherwise provided for by law.

Article 3. VOTED that the reports of Town officers and committees as printed in the annual Town Report for the year 1960 be accepted.

VOTED to accept the following report of the Stoneham School Survey Committee:

In accordance with a vote passed at the annual Town Meeting of 1957, the School Survey Committee submits the following Report of Progress:

In our last report, submitted to the Town during Town Meeting of 1958, we reported on the increasing population in the town

due to both a population shift to suburban areas such as Stoneham and a steadily increasing national birthrate. In 1940, our population was 10,674; in 1945—12,032; in 1950—13,028; in 1955—15,817; and at present we estimate it to be 17,500.

With most of the land still available in Stoneham being used for residential purposes instead of for industrial use, there could be a total population of about 25,000. We believe a more realistic ultimate population would be about 23,000. Incidentally, these figures do not include the land in the Fells Reservation and the two golf courses. This ultimate figure represents an increase in our present population of approximately 30%.

Since our last report, home building has continued at a steady rate with approximately 65 building permits covering single homes issued during 1959 and, in addition, the building of multiple dwelling houses. With a new pumping station off Green Street, there can be opened up considerable land for houses that had been previously restricted by the State Department of Public Health.

Taking the actual enrollment in our school system for the past six years, there has been a rate of increase that averages 4.9% more pupils each year. This annual rate will not only continue but will increase.

Stoneham is fortunate in having all of its schools, with the exception of the Junior High School, of comparatively recent construction and in excellent condition. The Junior High School, through a constant program of modernization and renovation, can be brought up to the condition of the other schools, and can be used by the town at a great savings in cost compared to the building of a new Junior High School.

This past year has seen the completion of a ten room addition to the Robin Hood School in the northwest part of Town that has relieved the critical classroom shortage in that area.

At present the North School is in an overcrowded condition with it being necessary to house a sixth grade class in the Junior High School. The East School is also overcrowded. Both the North School and the East School areas will become more critical and particularly in the East School area is there a great potential population growth.

The secondary schools, consisting of the Junior and Senior High Schools, will become problems as to overcrowded conditions in the very immediate future as the large increase in elementary school pupils reach the secondary school level. Our Junior High School capacity and a program that should be started to relieve an imminent overcrowded condition are of particular concern to the State School Building Authorities as well as to this Committee.

We recommend that the School Survey Committee continue to study the needs for additional classroom space in both elementary and secondary schools and bring before the Town their sug-

gestions and recommendations for the solution of these problems by such steps as:

- (1) Redistricting.
- (2) Zoning suggestions.
- (3) Reorganization of the secondary schools to a 2-4 basis, that is, the 7th and 8th grades in Junior High School with the 9th grade being transferred to the Senior High School.
- (4) Acquisition of land for future schools.
- (5) The feasibility of additions to present schools where required.

Respectfully submitted,  
RAYMOND H. SEITZ, Chairman  
HELEN B. OSGOOD, Secretary  
JOHN E. O'DOHERTY  
MILLARD D. TAYLOR

VOTED to recess annual meeting at 7:45 o'clock to take action on articles of special Town Meeting. (Minutes of Special Meeting follow report of Annual Meeting.)

Article 4. VOTED that the Town fix the Salaries of its several elected officers for the year 1960 as follows:

Moderator .....	\$ 50.00
Selectmen, each .....	110.00
Town Treasurer and Tax Collector .....	6,460.00
Town Clerk .....	3,000.00
Assessor, Chairman .....	1,525.00
Assessor, Secretary .....	1,400.00
Assessor, Member .....	1,300.00
Board of Health Members, each .....	110.00
Board of Public Welfare Members, each .....	110.00

Article 5. VOTED to defer action on this article to Tuesday night, March 22, 1960.

Article 6. VOTED to instruct the Board of Assessors to use the sum of \$75,000.00 for the reduction of the 1960 tax rate.

Article 7. VOTED that the subject matter of this article be indefinitely postponed.

Article 8. VOTED that the unexpended balances of appropriations for specific purposes voted in previous years be transferred to the Excess and Deficiency Account as follows:

Joan Avenue Construction (1959) .....	\$137.64
Webster Court Construction (1959) .....	1.19
Tar Sidewalk Construction (1959) .....	73.09
Street Construction (Chap. 718) .....	3.52

Chapter 90 Maintenance 1959 .....	51.29
Rubbish Truck Body (1959) .....	500.00
Pick-up Truck and Passenger Car (1959) .....	263.10
Sewer Kit and Sand Spreader Body (1959) .....	587.50
School Department Truck .....	5.33
Police Department Station Wagon .....	287.00
Fire Station Doors .....	381.50
Infirmary Painting .....	32.60
Town Clerk's Office Counter .....	4.20
Treasurer's Billing Machine .....	9.30
Town Hall Auditorium Drapes .....	50.00

and that the Town Accountant be and hereby is authorized to make such transfers on the books of the Town.

Article 9. VOTED that the Town raise and appropriate the sum of \$15,000.00, said sum to be placed in the Stabilization Fund, that the said appropriation be raised by transfer from the Excess and Deficiency Account, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 10. VOTED that the Town authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time, in anticipation of the revenue of the financial year beginning January 1, 1960, and to issue a note or notes therefor, payable within one year and to renew any note or notes as may be given for a period of less than one year in accordance with provisions of Section 17, Chapter 44 of the General Laws. Unanimous.

Article 11. VOTED that the Town authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time, in anticipation of the revenue of the financial year beginning January 1, 1961, and to issue a note or notes therefor, payable within one year and to renew any note or notes as may be given for a period of less than one year in accordance with provisions of Section 17, Chapter 44 of the General Laws. Unanimous.

Article 12. VOTED that the Town accept provisions of Chapter 493, Acts of 1959, entitled. "An act increasing the amounts of pensions and retirement allowances payable to certain former public employees."

Article 13. VOTED that the subject matter of this article be indefinitely postponed.

Article 14. VOTED that the Town authorize the Board of Health to make appointments from its own membership to the positions of Health Officer and Milk Inspector, and any expense to come from the appropriation made for the said purpose under Article 5 of this warrant.

Article 15. VOTED that the Town pay the rent of quarters or lease quarters for use of Leon E. Warren Camp, United Spanish War Veterans; Stoneham Post No. 115, American Legion; Sgt. George J. Hall Post No. 620, Veterans of Foreign Wars; Stoneham Chapter 107, Disabled American Veterans; World War I Veterans, Barracks 395; and any expense to come from the appropriation made for the said purpose under Article 5 of this warrant.

Article 16. VOTED that the subject matter of this article be indefinitely postponed.

Article 17. VOTED that the Town amend the Zoning By-law by adding to the present limits of the General Business District, as heretofore defined and set forth, the following described area: Beginning at the point of intersection of Route 93 and the Stoneham-Winchester boundary line, on the westerly side of the said Route 93 on land now or formerly of Nora Theresa Mosley, thence the line runs in a southeasterly and southerly direction along the westerly boundary of the said Route 93 to land of the Metropolitan District Commission, thence the line turns and runs southerly, southwesterly and westerly along land of the Metropolitan District Commission to the Stoneham-Winchester boundary line, thence the line turns and runs in a general northerly direction along the said Stoneham-Winchester boundary line to the point of beginning. Unanimous.

Article 18. VOTED that the Town amend the Zoning By-law by adding a new subsection to Article 1, known as subsection 3, which shall read as follows: "Article 1, Section 3 (Residence "B" Districts), Subsection 3. Professional building to include the office or studio of a physician, dentist, lawyer, architect or artist, provided there is no display visible from the street, and no advertising except a professional name plate not exceeding nine inches in width and twenty-four inches in length. Yes, 656; No, 20.

VOTED to adjourn the meeting to meet in Town Hall on Tuesday, March 22, 1960 at 7:30 o'clock in the evening.

All the foregoing truly entered.

WINTHROP A. MCCARTHY, Town Clerk

## **ADJOURNED ANNUAL TOWN MEETING, MARCH 22, 1960**

Agreeable to the warrant signed by the Selectmen on February 16, 1960, and in accordance with the vote of adjournment at the annual Town Meeting held on March 14, 1960, the inhabitants of the Town of Stoneham qualified to vote in elections and

Town affairs met in Town Hall on Tuesday, March 22, 1960 at 7:30 o'clock in the evening.

Tellers were appointed to check names of voters entering the hall and the check lists showed that seven hundred sixty-nine (769) voters attended the meeting.

The meeting was called to order by the Moderator and the warrant read.

Article 19. VOTED that the Town amend the Zoning By-law by adding to the present limits of the Retail Business District, as heretofore defined and set forth, so as to include in the Retail Business District the following described area: Beginning at a point on the easterly side of Main Street 185 feet distant from the said Main Street at the boundary of land now or formerly of Tedd J. Syak and Charles L. and Lillian M. Simmons, thence continuing in an easterly direction to a point 37 feet west of Central Street, thence turning and running northerly a distance of 100 feet to a point 60 feet west of Central Street, thence proceeding in a general northerly direction along a line 60 feet westerly of and parallel to Central Street to land now or formerly of Charles and Frances V. Ezekian, thence turning and running westerly along land now or formerly of Charles and Frances V. Ezekian and John and Isabel Avedis to a point 185 feet easterly from Main Street, thence turning and running southerly along a line parallel to and 185 feet distant from Main Street to the point of beginning. Yes, 409; no, 153.

Article 20. VOTED that no action be taken on this article.

Article 21. VOTED that the subject matter of this article be indefinitely postponed.

Article 5. VOTED that the sum of \$117,696.00 be appropriated for General Government, said sum to be expended as itemized in the recommendations of the Finance and Advisory Board as amended, as follows:

WINTHROP A. McCARTHY, Town Clerk

## **ADJOURNED ANNUAL TOWN MEETING, MARCH 29, 1960**

Agreeable to the warrant signed by the Selectmen on February 16, 1960, and in accordance with the vote of adjournment at the annual Town Meeting held on March 22, 1960, the inhabitants of the Town of Stoneham qualified to vote in elections and Town affairs met in Town Hall on Tuesday, March 29, 1960 at 7:30 o'clock in the evening.

Tellers were appointed to check names of voters entering the hall and the check lists showed that two hundred and forty (240) voters attended the meeting.

The meeting was called to order by the Moderator and the warrant read.

Article 28. VOTED that the Town raise and appropriate the sum of \$50,000.00 for the purpose of extending water mains or relaying water mains within the limits of the Town, and that the Town Treasurer, with the approval of the Selectmen, be authorized to issue and sell, from time to time as occasion requires, town notes, bonds or other evidences of indebtedness to an amount not exceeding \$50,000.00, said notes or bonds to be payable in accordance with provisions of Chapter 44 of the General Laws. Unanimous.

Article 29. VOTED that the Town raise and appropriate the sum of \$50,000.00 for the purpose of defraying the cost of constructing sanitary sewer mains within the limits of the Town and that the said appropriation be raised as follows: By transfer from the following unexpended appropriation balances: Sewer Construction 1956, \$106.98; Sewer Construction 1957, \$7.38; Sewer Construction 1958, \$4.07; by transfer from the Excess and Deficiency Account \$7,881.57, and that the Town Treasurer, with the approval of the Selectmen, be authorized to issue and sell, from time to time as occasion requires, town notes, bonds or other evidences of indebtedness to an amount not exceeding \$42,000.00, said notes or bonds to be payable in accordance with provisions of Chapter 44 of the General Laws, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town. Unanimous.

Article 30. VOTED that the Town raise and appropriate the sum of \$3,000.00 to reconstruct certain existing tar sidewalks within the limits of the Town, raise the said appropriation by transfer from the Excess and Deficiency Account, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 31. VOTED that the Town raise and appropriate the sum of \$4,500.00 for the maintenance of highways which have been

constructed with State and County aid under the provisions of Chapter 90 of the General Laws, that the said appropriation be raised as follows: by transfer from the unexpended balance of the appropriation for Chapter 90 Construction in 1958 the sum of \$2,197.33 and by transfer from the Excess and Deficiency Account the sum of \$2,302.67, that any receipts from the State and County be placed in the Excess and Deficiency Account, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 32. VOTED that the Town raise and appropriate the sum of \$24,000.00 for Chapter 90 Highway Construction, that the said appropriation be raised as follows: from the revenue of the current year the sum of \$14,000.00 and by transfer from the Excess and Deficiency account the sum of \$10,000.00, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 33. VOTED that the Town raise and appropriate the sum of \$1,500.00 for labor, materials and other necessary expense for the control of Dutch Elm disease, in accordance with provisions of Chapter 657, Acts of 1956, and amendments thereto, raise the said appropriation by transfer from the Excess and Deficiency Account, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 34. VOTED that the subject matter of this article be indefinitely postponed.

Article 35. VOTED that the Town raise and appropriate the sum of \$40,000.00 for the construction and equipping of an office building for use of the Public Works Department at the Pine Street yard, and that the said appropriation be raised as follows: The sum of \$10,000.00 from the tax levy of the current year, and that the Town Treasurer, with the approval of the Selectmen, be authorized to sell from time to time, as occasion requires, town notes, bonds or other evidences of indebtedness to an amount not to exceed \$30,000.00 said notes or bonds to be payable in accordance with the provisions of Chapter 44 of the General Laws. Yes, 158; No, 50.

Article 36. It was moved and seconded that the Town authorize the construction of a sanitary sewer in and through Pond Street from Gorham Avenue northerly 1350 feet, more or less under the law relating to the assessment of betterments, that the Selectmen be authorized to obtain easements for the purpose of enabling the Town to enter upon private land where necessary, and any expense for the said construction to be taken from the appropriation voted under Article 29 of this warrant. This motion was not carried.

Article 37. VOTED that the subject matter of this article be indefinitely postponed.

Article 38. VOTED that the subject matter of this article be indefinitely postponed.

Article 39. VOTED that the subject matter of this article be indefinitely postponed.

Article 40. VOTED that the Moderator appoint a committee of three citizens to further study the subject matter of this article and that the said committee make a report at the next Town Meeting.

Article 41. VOTED that the Town raise and appropriate the sum of \$1,195.00 for the purchase of one (1) grass mower of approximately seven foot cut for use of the Public Works Department, raise the said appropriation from the tax levy of the current year, and authorize the Board of Public Works to make said purchase and dispose of one (1) Toro mower now in service.

Article 42. VOTED that the Town raise and appropriate the sum of \$5,695.00 for the purchase of one (1) rubber-tired loader, with backhoe attachment for use of the Public Works Department, authorize the disposal of the Minneapolis-Moline tractor with Henry backhoe attachment now in service, authorize the Moderator to appoint a committee of three citizens to make said purchase and disposal, raise the said appropriation by transfer from the Excess and Deficiency Account, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 43. VOTED that the subject matter of this article be indefinitely postponed.

Article 44. VOTED that the Town raise and appropriate the sum of \$1,000.00 to purchase shade trees, loam, materials and other necessary expense incidental to shade tree planting, raise the said appropriation by transfer from the Excess and Deficiency Account, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 45. VOTED that the subject matter of this article be indefinitely postponed.

Article 46. VOTED that the subject matter of this article be indefinitely postponed.

ARTICLE 47. VOTED that the Town accept as public town ways the following ways as laid out by the Planning Board: (1) Drummond Road from Arlene Avenue to Paula Avenue; (2) Paula Avenue from Erickson Street to Drummond Road; (3) Janice Lane from Erickson Street to Hanford Road; (4) Arlene Avenue from Erickson Street to Evergreen Road; (5) Margaret Road from Rose Lane to Wagner Road.

Article 48. VOTED that the Town accept as public town ways the following ways laid out by the Planning Board: (1) Weld Road from Oak Street to Bonad Road and (2) Atwood Avenue from Park Street to West Hancock Street.

Article 49. VOTED that the Town raise and appropriate the sum of \$7,800.00 to pave Weld Road from Oak Street to Bonad Road and Atwood Avenue from Park Street to West Hancock Street, under the laws relating to the assessment of betterments, that the Selectmen be authorized to obtain easements for the purpose of enabling the Town to enter upon private land where necessary, that the said appropriation be raised by transfer from the Excess and Deficiency Account, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 50. VOTED that the Town raise and appropriate the sum of \$2,000.00 to update and revise the By-laws, Zoning By-laws, Board of Health Regulations, Plumbing Regulations, Building Regulations, Public Park Regulations and the Traffic Rules and Orders of the Town of Stoneham, that the said appropriation be raised by transfer from the Excess and Deficiency Account, that the Moderator be authorized to appoint a committee of seven, one from each department aforementioned, that the said appropriation be used in conjunction with the appropriation voted under Article 57 of the warrant for the annual Town Meeting of 1954, that a complete booklet of the aforementioned By-laws and regulations, as revised and updated, be printed, that the committee determine a nominal fee to be charged for the said booklet and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

Article 51. VOTED that the Moderator be authorized to appoint a committee of five citizens to study the advisability of compiling and preparing a history of the Town of Stoneham, and that the said committee make a report at the next annual Town Meeting.

Article 52. VOTED that the Town raise and appropriate the sum of \$18,000.00 from the revenue of the current year for the purpose of remodeling and equipping the Junior High School gymnasium. Yes, 84; No, 77.

All the business of the annual Town Meeting having been completed, the meeting was adjourned.

All the foregoing truly entered.

WINTHROP A. McCARTHY, Town Clerk

# WARRANT FOR SPECIAL TOWN MEETING

MARCH 14, 1960

To either of the Constables of the Town of Stoneham in the  
County of Middlesex, GREETING:

In the name of the Commonwealth of Massachusetts you are

Finance & Advisory Board

ARTICLE 4. To see if the Town will vote to accept as a public Town way Crosby Street, so-called, as laid out by the Planning Board.

Residents of Crosby Street

Article 5. To see if the Town will vote to raise and appropriate a sum of money to determine the possible location and preliminary designs of a sewer pumping station force main and trunk lines that will be necessary to provide sewer facilities for a portion of the northwesterly section of the Town, determine in what manner the said appropriation shall be raised, from taxation, from available funds, or do anything in relation thereto.

Board of Public Works

And you are directed to have one thousand five hundred (1500) copies of the warrant printed and so serve the same by posting attested copies in at least ten (10) public places in the Town seven (7) days at least before the time for holding said meeting and by causing an attested copy to be published in some newspaper in the Town, the publication to be not less than three (3) days before said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid for distribution.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given unto our hands this twenty-third day of February in the year one thousand nine hundred and sixty A.D.

FRED A. SCHNEIDER  
DONALD J. MORRISON  
WILLIAM W. MACKAY  
STANLEY D. WOOD  
DANIEL L. HURLEY

Selectmen of Stoneham

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham qualified to vote in elections and Town affairs of the within meeting by posting attested copies in at least ten (10) public places in the Town on March 5, 1960, and by publishing duly attested copies of the said warrant in The Stoneham Independent and The Stoneham Press on March 5, 1960.

UGO M. ROLLI, Constable of Stoneham

## SPECIAL TOWN MEETING, MARCH 14, 1960

Agreeable to the warrant signed by the Selectmen on February 23, 1960, and in accordance with provisions of the By-laws of the Town of Stoneham, the inhabitants of the Town of Stoneham qualified to vote in elections and Town affairs met in Town Hall on Monday, March 14, 1960 at 7:45 o'clock in the evening.

Tellers were appointed to check the names of voters entering the hall, and the check lists showed that one thousand one hundred eighty-five (1185) voters attended the meeting.

The meeting was called to order by the Moderator and the warrant read.

Article 1. VOTED that the Town amend Article XI of the By-laws of the Town of Stoneham entitled "Wage, Salary and Classification Plan" by striking out the "1958 Salary Schedule" and inserting in place thereof a new "1960 Salary Schedule" as follows:

Article 4. VOTED that the Town accept as a public town way Crosby Street, from North Street to Wagner Road, as laid out by the Planning Board.

Article 5. VOTED that the Town raise and appropriate the sum of \$1,500.00 to determine the possible location and preliminary designs of a sewer pumping station, force main and trunk lines that will be necessary to provide sewer facilities for a portion of the northwesterly section of the Town, that the said appropriation be raised by transfer from the Excess and Deficiency Account, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

All the business of the special Town Meeting having been completed, it was VOTED to adjourn.

All the foregoing truly entered.

WINTHROP A. McCARTHY, Town Clerk

## **WARRANT FOR SPECIAL TOWN MEETING, MARCH 22, 1960**

To either of the Constables of the Town of Stoneham in the  
County of Middlesex, GREETING:

In the name of the Commonwealth of Massachusetts you are directed to notify and warn the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs to meet in Town Hall on

**Tuesday, March 22, 1960**

at 8:15 o'clock in the evening to act on the following article of this warrant:

ARTICLE 1. To see if the Town will vote to raise and appropriate a sum of money to purchase one (1) new Station Wagon for use of the Police Department, authorize the disposal of one (1) Ford automobile now in service, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Captain of Police

And you are directed to have one thousand (1000) copies of the warrant printed and so serve the same by posting attested copies in at least ten (10) public places in the Town seven (7) days at least before the time for holding said meeting and by causing an attested copy to be published in some newspaper in the Town, the publication to be not less than three (3) days before said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid for distribution.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given unto our hands this eighth day of March in the year one thousand nine hundred and sixty, A.D.

FRED A. SCHNEIDER  
DONALD J. MORRISON  
STANLEY D. WOOD  
WILLIAM W. MACKAY  
DANIEL L. HURLEY  
Selectmen of Stoneham

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs of the within meeting by posting attested copies in at least ten (10) public places in the Town on March 14, 1960, and by publishing duly attested copies of the said warrant in The Stoneham Independent and The Stoneham Press on March 17, 1960.

UGO M. ROLLI  
Constable of Stoneham

## **SPECIAL TOWN MEETING, MARCH 22, 1960**

Agreeable to the warrant signed by the Selectmen on March 8, 1960, and in accordance with provisions of the By-laws of the Town of Stoneham, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall on March 22, 1960, at 8:15 o'clock in the evening.

Tellers were appointed to check the names of voters entering the hall and the check lists showed that seven hundred sixty-nine (769) voters attended the meeting.

The meeting was called to order by the Moderator and the warrant read.

Article 1. VOTED that the Town raise and appropriate the sum of \$2,300.00 to purchase one (1) new station wagon for use of the Police Department, raise the said appropriation by transfer from the Excess and Deficiency Account, authorize the disposal of one (1) 1958 automobile now in service, authorize the Moderator to appoint a committee of three (3) citizens to make said purchase and disposal, and that the Town Accountant be and hereby is authorized to make such transfer on the books of the Town.

All the business of the special Town Meeting having been completed, it was VOTED to adjourn.

All the foregoing truly entered.

WINTHROP A. McCARTHY, Town Clerk

# WARRANT FOR PRESIDENTIAL PRIMARY

Commonwealth of Massachusetts

To either of the Constables of the Town of Stoneham

GREETING:

In the name of the Commonwealth you are hereby required to rotify and warn the inhabitants of said town who are qualified to vote in Primaries to meet in Town Hall on Tuesday, the twenty-sixth of April, 1960, at 12 o'clock noon for the following purposes:

To bring in their votes to the Primary Officers for the election of candidates of political parties for the following offices:

24 Delegates at Large to the National Convention of the Democratic Party.

12 Alternate Delegates at Large to the National Convention of the Democratic Party.

10 Delegates at Large to the National Convention of the Republican Party.

10 Alternate Delegates at Large to the National Convention of the Republican Party.

4 District Delegates to the National Convention of the Democratic Party 8th Congressional District.

2 Alternate District Delegates to the National Convention of the Democratic Party 8th Congressional District.

2 District Delegates to the National Convention of the Republican Party 8th Congressional District.

2 Alternate District Delegates to the National Convention of the Republican Party 8th Congressional District.

2 District members of the State Committee (one man and one woman) for each political party for the 7th Middlesex Senatorial District.

35 Members of the Democratic Town Committee.

35 Members of the Republican Town Committee.  
and Presidential Preference.

The polls will be open from 12 noon to 8 o'clock in the evening.

Hereof fail not and make return of this warrant with your doings thereon at the time and place of said meeting.

Given unto our hands this 12th day of April, 1960.

FRED A. SCHNEIDER  
DONALD J. MORRISON  
STANLEY D. WOOD  
WILLIAM W. MACKAY  
DANIEL L. HURLEY

Selectmen of Stoneham

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham qualified to vote in elections

and town affairs by posting duly attested copies of this warrant in ten (10) public places in the Town on April 8, 1960, and by publishing attested copies of the said warrant in The Stoneham Independent and The Stoneham Press on April 7, 1960.

UGO M. ROLLI  
Constable of Stoneham

**PRESIDENTIAL PRIMARY, APRIL 26, 1960**

Agreeable to the warrant signed by the Selectmen on April 12, 1960, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall on Tuesday, April 26, 1960, at 12 o'clock noon.

Election officers, appointed by the Selectmen as required by law, were sworn by the Town Clerk and assigned to duty. By unanimous consent of the Selectmen and the Town Clerk the ballot boxes were opened at four o'clock in the afternoon and the ballots taken therefrom for the purpose of counting. Tellers appointed to canvass and count the ballots were sworn by the Town Clerk and divided into groups of four, two Republicans and two Democrats in each group.

The meeting was called to order by the chairman of the Selectmen and the warrant read.

At 8 o'clock in the evening the polls were declared closed at which time ballot box number one registered 231 and ballot box number two registered 264. The check lists at the gates had the names of 495 voters having received ballots of which 250 were Republican and 245 were Democrat. The number of ballots taken from the ballot boxes, as counted by the Selectmen, was 495, of which 250 were Republican and 245 were Democrat. The Town Clerk delivered 7333 Republican ballots and 2809 Democratic ballots to the ballot clerks. The ballot clerks returned 7083 Republican ballots and 2564 Democratic ballots to the Town Clerk.

All the Republican ballots having been sorted and counted, the tally sheets signed by the counters, the blocks of ballots sealed, the total tally sheet proved and signed in accordance with law, declaration of the same was made as follows:

The polls will be open from 12 o'clock Noon to 8:00 P.M.

Hereof fail not and make return of this warrant with your  
doings thereon at the time and place of said meeting.

Given unto our hands this twenty-third day of August, 1960.

STANLEY D. WOOD  
DONALD J. MORRISON  
WILLIAM W. MACKAY  
Selectmen of Stoneham

Pursuant to the within warrant I have notified and warned the  
inhabitants of the Town of Stoneham qualified to vote in Primaries  
of the within meeting by posting attested copies in at least ten (10)  
public places in the Town on September 6, 1960, and by causing to  
be published duly attested copies of the said warrant September  
8, 1960, in The Stoneham Independent and The Stoneham Press.

UGO M. ROLLI  
Constable of Stoneham

## **STATE PRIMARY, SEPTEMBER 13, 1960**

Agreeable to the warrant signed by the Selectmen on August  
23, 1960, the inhabitants of the Town of Stoneham qualified to vote  
in elections and town affairs met in Town Hall on Tuesday, Sep-  
tember 13, 1960 at 12 o'clock noon.

Election officers, appointed by the Selectmen in accordance with  
provisions of Chapter 54 of the General Laws and amendments  
thereto, were sworn by the Town Clerk. At 8 o'clock in the eve-  
ning the polls were declared closed, at which time ballot box number  
one registered 778 and ballot box number 2 registered 893. The  
check lists at the entrance gates had the names of 1671 voters  
having received ballots, of which 549 were Republican and 1122  
were Democrat. The number of ballots taken from the ballot boxes,  
as counted by the warden and the clerk, was 1671, of which 549  
were Republican and 1122 were Democrat. Tellers, appointed by  
the Selectmen in accordance with provisions of Chapter 54 of the

General Laws and amendments thereto, to canvass and count the ballots were sworn by the Town Clerk and divided into groups of four, two Republicans and two Democrats in each group.

The number of ballots delivered to the ballot clerks was 9820, of which 7091 were Republican and 2729 were Democrat. The number of unused ballots returned to the Town Clerk was 8149, of which 6542 were Republican and 1607 were Democrat.

All the Republican ballots having been sorted and counted, the tally sheets signed by the counters, the blocks of ballots sealed, the total tally sheet proved and signed in accordance with law, declaration of the same was made as follows:

Whole number of Republican ballots cast .....	549

at six o'clock in the forenoon, it being the first Tuesday after the first Monday in said month, to bring in their ballots to the Selectmen for the following: Electors of the President and Vice President, Senator in Congress, Governor, Lieutenant Governor, Secretary, Treasurer, Auditor, Attorney General, Congressman from the Eighth District, Councillor from the Sixth District, Senator from the Seventh Middlesex Senatorial District, Three (3) Representatives from the Twenty-Second Middlesex Representative District, Two (2) Commissioners for Middlesex County, Register of Probate and Insolvency for Middlesex County, County Treasurer for Middlesex County, District Attorney (to fill vacancy) for the Northern District and the following question:

Question No. 1

A. Shall licenses be granted to this town for the sale therein of all alcoholic beverages (Whiskey, rum, gin, malt beverages, wines and all other alcoholic beverages)?

B. Shall licenses be granted in this town for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)?

C. Shall licenses be granted in this town for the sale therein of all alcoholic beverages in packages, so-called, not to be drunk on the premises?

All on one ballot.

The Polls will be opened at six o'clock in the forenoon and closed at eight o'clock in the evening.

And you are directed to serve this warrant by posting attested copies in at least ten (10) public places in the Town seven (7) days at least before the time for holding said election and by causing an attested copy to be published in some newspaper in the Town, the publication to be not less than three (3) days before said election.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given unto our hands this twenty-fifth day of October in the year one thousand nine hundred and sixty, A.D.

FRED A. SCHNEIDER  
DONALD J. MORRISON  
WILLIAM W. MACKAY  
STANLEY D. WOOD  
DANIEL L. HURLEY  
Selectmen of Stoneham

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs of the within election by posting attested copies in at least ten (10) public places in the Town on Monday, October 31, 1960 and by publishing duly attested copies of the within warrant in the Stoneham Independent and the Stoneham Press on Thursday, November 3, 1960.

UGO M. ROLLI, Constable of Stoneham

**BIENNIAL STATE ELECTION, NOVEMBER 8, 1960**

Agreeable to the warrant signed by the Selectmen on October 25, 1960, the inhabitants of the Town of Stoneham qualified to vote in elections and town affairs met in Town Hall on Tuesday, November 8, 1960 at 6 o'clock in the forenoon.

Election officers, appointed by the Selectmen in accordance with provisions of Chapter 54 of the General Laws and amendments thereto, were sworn by the Town Clerk. At eight o'clock in the evening the polls were declared closed, at which time ballot box number one registered 4268 and ballot box number two registered 4635. The check lists at the entrance gates had the names of 8903 voters having received ballots. The number of ballots taken from the ballot boxes, as counted by the warden and the clerk, was 8903. Tellers, appointed by the Selectmen in accordance with provisions of Chapter 54 of the General Laws and amendments thereto, to count the ballots were sworn by the Town Clerk and divided into groups of four, two Republicans and two Democrats in each group.

Whole number of ballots cast ..... 8903

**Electors of President and Vice President**

Decker and Munn, Prohibition .....	4
Hass and Cozzini, Socialist Labor .....	7
Kennedy and Johnson, Democratic .....	4599
Nixon and Lodge, Republican .....	4240
Blanks .....	53

**Senator in Congress**

Leverett Saltonstall of Dover, Republican .....	5552
Thomas J. O'Connor, Jr., of Springfield, Democrat .....	3236

James F. Mahan of Cambridge, Republican .....	4029
Blanks .....	438

### Question No. 1

A. Shall licenses be granted in this town for the sale therein of all alcoholic beverages whisky, rum, gin, malt beverages (wines and beer, ale and all other malt beverages)?	
Yes .....	2127
No .....	5484
Blanks .....	1292

B. Shall licenses be granted in this town for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)?	
Yes .....	2046
No .....	5504
Blanks .....	1353

C. Shall licenses be granted in this town for the sale therein of all alcoholic beverages in packages, so-called, not to be drunk on the premises?	
Yes .....	4311
No .....	4141
Blanks .....	451

All the requirements of law having been complied with, the election was declared adjourned.

All the foregoing truly entered.

WINTHROP A. MCCARTHY, Town Clerk

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

Stoneham, April 4, 1960.

I, Winthrop A. McCarthy, duly elected and qualified Town Clerk of Stoneham, County of Middlesex, hereby certify the following is a true copy of Article 17 of the warrant for the annual Town Meeting of 1960, duly called, warned and held on March 7, 1960 and adjourned to March 14, 1960, at which time a quorum of 1185 voters was present when said Article 17 was before said meeting:

Article 17. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the General Business District, as heretofore defined and set forth, the following described area: Beginning at the point of intersection of Route 93 and the Stoneham-Winchester boundary line, on the westerly side of the said Route 93 on land now or formerly of Nora Theresa Mosley, thence the line runs in a southeasterly and southerly direction along the westerly boundary of the said Route 93 to land of the Metropolitan District Commission, then the line turns and runs southerly, southwesterly and westerly along land of the Metropolitan District Commission to the Stoneham-Winchester boundary line, thence the line turns and runs in a general northerly direction along the said Stoneham-Winchester boundary line to the point of beginning. (Planning Board)

I further certify that, acting under Article 17, the following action was taken:

Article 17. VOTED that the Town amend the Zoning By-law by adding to the present limits of the General Business District, as heretofore defined and set forth, the following described area: Beginning at the point of intersection of Route 93 and the Stoneham-Winchester boundary line, on the westerly side of the said Route 93 on land now or formerly of Nora Theresa Mosley, thence the line runs in a southeasterly and southerly direction along the westerly boundary of Route 93 to land of the Metropolitan District Commission, thence the line turns and runs southerly, southwesterly and westerly along land of the Metropolitan District Commission to the Stoneham-Winchester boundary line, thence the line turns and runs in a general northerly direction along the said Stoneham-Winchester boundary line to the point of beginning. Unanimous.

A true copy from the records.

WINTHROP A. MCCARTHY  
Town Clerk of Stoneham

I further certify that no objections to the proposed amendment were filed in the office of the Town Clerk.

Stoneham, April 4, 1960

I, Winthrop A. McCarthy, duly elected and qualified Town Clerk of Stoneham, County of Middlesex, hereby certify the following is a true copy of Article 18 of the warrant for the annual Town Meeting of 1960, duly called, warned and held on March 7, 1960, and adjourned to March 14, 1960, at which time a quorum of 1185 voters was present when said Article 18 was before said meeting:

Article 18. To see if the Town will vote to amend the Zoning By-law by adding a new subsection to Article 1, Section 3, known as subsection 3, which shall read as follows:

"Article 1, Section 3 (Residence "B" Districts), Subsection 3. Professional building to include the office or studio of a physician, dentist, lawyer, architect, or artist, provided there is no display visible from the street, and no advertising except a professional name plate not exceeding nine inches in width and twenty-four inches in length." Planning Board

I further certify that, acting under Article 18, the following action was taken:

Article 18. VOTED that the Town amend the Zoning By-law by adding a new subsection to Article 1, Section 3, known as subsection 3, which shall read as follows:

"Article 1, Section 3 (Residence "B" Districts) Subsection 3. Professional building to include the office or studio of a physician, dentist, lawyer, architect, or artist, provided there is no display visible from the street, and no advertising except a professional name plate not exceeding nine inches in width and twenty-four inches in length." Yes, 656; No, 20.

June 2, 1960

In accordance with provisions of Chapter 40, Section 32 of the General Laws, and amendments thereto, I have posted the

within Town Bulletin, namely Articles 17-18-19 of the warrant for the annual Town Meeting of 1960, and subsequent votes taken on the said article in the following places within the Town on this day: Town Hall, Unitarian Church, Methodist Church, Congregational Church and Baptist Church.

UGO M. ROLLI  
Constable of Stoneham

## **REPORT OF THE BOARD OF PUBLIC WORKS**

The Board of Public Works, meeting March 9, 1960, organized for the year as follows: John E. Finnegan, Chairman of the Board, with members Cornelius J. Sweeney and John E. Shaughnessy. Mr. Finnegan was re-elected to the Board March 7, 1960 for a three-year term. Miss Geraldine O'Grady was appointed Clerk of the Board and Mr. Edwin D. Callahan was appointed Superintendent of Public Works.

The Board is pleased to state the sewerage pumping station to the east of Green Street was completed this year and that approximately a mile of sewer lines have been installed in Spring Street and abutting streets, thus bringing the direct benefit of this completed construction to the established residents of the area. It is worth noting the location of the station is such it will not only serve the developed areas mentioned above, but will also provide facilities to undeveloped land east of Green Street and north of Spring Street. Due to this planning, and with the cooperation of the Planning Board and the Board of Health, any subdivisions in this area will require the installation of sewers by the developer. This will eliminate any future need on the part of the Town to dig up newly constructed roads and install sewerage under the Betterment Act, thus saving the Town considerable thousands of dollars.

The above mentioned construction, along with the previous installation of sewer pipe through land of Bear Hill Associates, is the result of a planned program over the last four years. At the present time approximately seventy-two per cent of the existing homes of the Town now have Town sewerage facilities. It is worth noting that sewers are installed in the existing streets under the Betterment Act, with the abutters paying two-thirds of the cost

and the Town absorbing the remaining one-third. With the Town operating under this type of Betterment Act the majority of the cost of sewer installations in streets is paid for by the abutters who derive the benefit.

The Recreation Committee, appointed by the Board of Public Works, has continued their fine work in planning and carrying out the recreational program of the Town. The Committee consists of Howard W. Seabury, Chairman; Karl P. Elerin, Ralph A. Williams, Dyer E. Carroll, Stewart E. Blier, William H. Jones and Walter P. Camuso. Mr. Jones and Mr. Camuso were appointed to the Committee during 1960.

We would like to take this opportunity to extend our appreciation to the many Boards, to the people of the Town of Stoneham, and to the personnel of the Department for their assistance and aid throughout the year.

In conclusion, we respectfully direct your attention to the report of the Superintendent of Public Works for a more detailed picture of the functions and accomplishments of the various divisions of the Department over the past year.

RESPECTFULLY SUBMITTED

By: John E. Finnegan, Chairman  
Cornelius J. Sweeney  
John E. Shaughnessy

## **REPORT OF THE SUPERINTENDENT OF PUBLIC WORKS TO THE BOARD OF PUBLIC WORKS**

Gentlemen:

The report of the Superintendent of Public Works for the year 1960 is hereby submitted. In writing this report it has been my intent to give as clear a picture as possible of the functions and accomplishments of the various divisions over the past year. The Department consists of six basic divisions; these divisions being Highway, Water, Sewer, Park, Tree and Cemetery. These divisions are supplemented by the physical properties throughout the Town maintained by the Department; said properties consisting of three sewer pumping stations, the dump site, a gravel pit, the Stevens Street pipe yard and the Pine Street yard and buildings. Additional functions such as rubbish pick-up and snow and ice removal are considered as subfunctions of the Highway Division.

The various divisions are so geared that many of them are familiar not only with their own type of work but also that of other divisions. Thus, if the demand merits, the Highway Division, for example, may be required to install sewer or water pipe.

Interchange of personnel and equipment takes place frequently for the over-all efficiency of the Department. It should be stressed, however, that all divisions represent a vital type of work in their own right, and that progress should never be sought in one division at the cost of another. The growth of the Town in recent years with the resulting addition to the work load of the Department can, to a considerable degree, be met through the use of labor-saving machinery, proper planning, and the ability to interchange personnel and equipment as the need arises. From the monetary viewpoint, the submitted budget for 1961 at the time of this writing represents an increase of 2.53% over the 1960 budget, approximately half of this increase not being under the direct control of this office.

The policy of planned work with the emphasis not only on new construction, such as the sewerage program, but also on the necessity of performing more maintenance work in established sections of the Town has been continued. This is mandatory as existing streets, parks, sidewalks, water and sewer distribution systems represent an extremely sizeable investment which can be protected only through proper maintenance. The road program, in particular, has now reached the point where bituminous concrete is being used to pave considerable areas of existing roads. Before this could be accomplished a program of planned maintenance employing such methods of treatment as armor coat and tar and sand had to be initiated and carried through. The cost of this type of treatment is considerably less than bituminous concrete and must be used due to budgetary reasons. A planned program, however, in time will develop to the point where the over-all road picture is good from the viewpoint of lack of potholes, broken gutters, etc. When this occurs, the use of bituminous concrete, with the idea in mind, of a more permanent and satisfactory road surface should be used in particular on key roads. It is worth noting in this report that there are times when the use of a material such as bituminous concrete is not merited due to future construction. Examples of this would be streets, such as North and Forest, where it appears there is a definite possibility of sewerage in the near future. To expend the funds now for a bituminous concrete surface on these streets and then rip them up a few years hence, should the townspeople appropriate funds for sewerage in this area, would indeed be wasteful.

Work has continued on the land acquired from the Boston and Maine Railroad abutting Recreation Park. At this time the land has been filled, additional drainage installed and a chain-link fence put up surrounding the boundaries of this land. An Article will be in the 1961 Annual Town Warrant requesting funds for the purchase of loam for this area. Once this is accomplished additional recreational facilities will be available and it will be possible to move the gridiron thus improving considerably the present football field. This work, again, has been planned over a

definite period of time, beginning with the acquisition of the land some three years ago, the next step being the piping-off of the existing drainage ditch, followed by the filling of the land, installation of additional drainage for the playing area, and the installation of the chain-link fence.

This year also saw the completion of the sewerage pumping station to the east of Green Street and the installation of gravity sewers in a section of Spring Street and abutting streets thus bringing the direct benefit of this construction to residents of this area. This portion of the east side sewerage system will in time connect with the portion previously constructed through property of Bear Hill Associates, thus utilizing a new entry into the M.D.C. System. The effect of this completed system is to provide sewerage facilities to a sizeable portion of the northeasterly section of the Town.

There follows below a brief breakdown of the various functions of the Department and the work accomplished in the year 1960.

### **Highways**

As mentioned at the beginning of this report a concentrated effort was made to resurface various roads with bituminous concrete over the past year. The result of this concentration was the paving of approximately 5,520 feet of existing streets with 1½" of bituminous concrete. This figure does not include any Chapter 90 work. It is our intent to continue this program during the coming year, the selection of streets for this type of work being dependent on the present condition of the street; that is, the type of base and surface coupled with the traffic load.

Supplementing the above work the Department also did some 1.25 miles of tar and sand resurfacing, using approximately 14,730 gals. of tar. It has been our experience that the planned road program over the last few years has kept to a minimum the need for such maintenance as the filling of potholes, broken gutters, etc.

The Town drainage system is a vital part of the Highway division. Constant cleaning of catch basins and drain pipes goes on throughout the year. Particular emphasis is put on certain danger spots where flooding, due to blockage, can become detrimental to property. The majority of water from the Town's streets and property will eventually discharge into the existing brooks throughout the Town. Due to the rapid growth of the Town, areas that once held water back, are now built upon, thus developing considerable runoffs of water into existing brooks. The problem encountered is simply too much water arriving into the brooks at one time, thus presenting a flooding threat to residents who abut these areas. The Department has installed grates at the

key culverts through which these brooks flow, the intention being to stop any debris before it can get under the road where, if this happened many times due to the power of the water, it cannot be reached. During non-working hours two men are delegated to go out immediately during a heavy rain and check all culverts. It is necessary that every effort be made to keep the brooks open, and thus the danger of flooding is kept to a minimum. During the year some 1,568 feet of drain pipe of varying size has been added to the Town's drainage system.

### **Chapter 90 — Maintenance**

The \$4,500 made available for this work was used for hot-topping Pond Street from Franklin Street to the south side of Wilson Road, a distance of 3,950 feet. It is our intention to continue this program of hot-topping as many of the Chapter 90 streets in Town as possible, where reconstruction is not needed, on an annual basis. It is worth noting that two-thirds of the above appropriation will be returned to the Town by the State and County, thus the actual cost to the Town will be \$1,500.

### **Chapter 90 — Reconstruction**

Under this appropriation the sum of \$24,000 was raised for the reconstruction of a portion of Perkins Street. This work is done under the control of the State Department of Public Works; the contract for this work being awarded to S. Rotondi and Sons, the low bidder, resulting from competitive bidding. The work completed this year consisted of approximately 1,250 feet beginning at Franklin Street. It is our hope, based on obtaining the necessary funds, the remainder of Perkins Street will be completed in 1961. In the case of Chapter 90 reconstruction the Town raises the entire sum through an Article in the Annual Town Warrant. This sum is based upon the estimate received from the State Department of Public Works. After completion of the work, seventy-five per cent of the funds expended are returned to the Town by the State and the County.

### **Street Construction**

The above heading refers to streets accepted at the Annual Town Meetings, to be built by the Town. The cost of construction of these streets is paid for under the Betterment Act by the abutters.

The present status of streets in this category is as follows:

#### **WELD ROAD — Completed**

**ATWOOD AVENUE** — Street built with paved surface of 2½" of hot-top installed. Some grading work on sidewalk areas remaining.

**BROOKBRIDGE ROAD**—All utilities installed, some grading and installation of paved surface remaining to be done.

In the case of Brookbridge Road, construction could not begin until the installation of water took place in an abutting subdivision. Once this installation was completed the Department extended the water main into Brookbridge Road, thus avoiding any future need to rip up a newly constructed paving for utility installations.

### **Snow and Ice**

The total accumulation of snow for the winter season was approximately 51.5" in Stoneham. The season saw two record breaking storms, one in March, the other in December. Plowing operations took place twelve different times; sanding operations frequently, as weather conditions merited. We realize the winter season is a difficult one for motorists and pedestrians alike, and will continue to do our best to remedy snow and ice conditions as fast as possible. We have received many favorable comments from the residents of the Town on snow removal and wish to point out the equipment authorized for purchase by the people at the Town Meetings has aided greatly. Our own equipment, manned by departmental personnel, is invaluable in aiding us to obtain the initial jump on the storms. If we did not have this equipment it would be necessary for us to hire more trucks than are presently hired which would have a definite effect on the cost of snow removal. It is my own opinion that the value of municipal-owned equipment is quite evident in the cost of snow removal.

### **Properties**

All properties and buildings under the control of the Public Works Department are maintained for the most part by our own personnel. During the year the Tree and Park divisions have moved into the new garage, thus eliminating the rental that had been previously paid for garage space for these departments. This garage was designed and the construction supervised by the Public Works Engineering Staff.

This year also saw the completion of the sewerage pumping station to the east of Green Street, which, as previously mentioned, is now in operation.

### **Tar Sidewalks**

The funds, consisting of \$3,000, used for the maintenance of these walks are derived through an article inserted in the Warrant, yearly, for this purpose. During the year 1960, approximately 4,895 feet of existing sidewalks on various streets were resurfaced with hot-top.

## Water Services

During the year ninety-seven new water services were installed bringing the total of active services in the Town to 4,544. There are also forty-two relays laid, a relay consisting of replacing an old service pipe with copper tubing. Upon application, sprinkler services are installed for fire protection services to commercial buildings. The cost of new services are paid for by the applicant; whereas, in the case of relays, the applicant pays for the cost on his property, the Town absorbing the cost on the street. All water services are supplied with meters.

## Sewer Services

This year saw the installation of one hundred twenty-four sewer services, up some forty-nine from last year's figure. A total of 3,266 active sewer services now exist in the Town. The increase in recent years is a direct result of the completed pumping station and the installation of the trunk line sewer through property of Bear Hill Associates. In the case of new home construction, it has been the policy of the Board of Health to require that sewer lines be extended wherever possible. The cost of the sewer service is paid for by the applicant. At this time approximately seventy-two per cent of the existing homes in the town are supplied with Town sewerage.

## Sewer Construction

As previously mentioned in this report, the sewerage pumping station to the east of Green Street was completed in the spring of this year and is now providing sewerage facilities to a sizeable portion of the east side of Stoneham. We are pleased to state approximately 1,885 miles of sewer mains have been added to the Town's system over the past year. With the pumping station completed, the greatest concentration of effort has been made in Spring Street and abutting side streets, thus fulfilling our obligations to this area as quickly as possible. It is our hope the year 1961 will see the completion of sewerage facilities to what may be referred to as the Spring Street area. Of the above total 1.025 miles of sewer main were installed by Town personnel and .86 miles by private contractors, the latter being for the most part in subdivisions, installed at the land developers' expense.

#### **Water Construction**

During the year a total of 1.32 miles of water mains were added, or relaid, as part of the Town's water distribution system. Of this total figure .42 miles were installed by Town personnel while .90 miles were installed by private contractors, the latter being for the most part in subdivisions installed at the land developers' expense. This year saw the completion of the twelve-inch water main installation in Perkins Street as mentioned in last year's report. Valves were installed at all intersecting streets, additional feeds connected wherever available, a minimum pipe size of eight-inch required for all subdivisions, and hydrants installed where requested by the Fire Department. We again would like to thank Fire Chief Crosby for his aid and suggestions in improving the water distribution system of the Town.

#### **Sidewalk and Curbstone Construction**

During the year thirteen hot-top sidewalks were installed, twelve granolithic sidewalks installed and curbstone installed in one location. This work is done by the Town at the request of the homeowner; the Town paying one-half of the construction, the homeowner paying the other half under the Betterment Act. The amount of funds made available to the Department by the Finance Board directly controls the amount of work that can be done in

any one year. At the present time, based on the list of applicants, it takes a period of approximately one year from the date of application before this work can be done.

### **Water Maintenance**

Under this heading lies a responsibility for the water distribution system, plus the 4,544 water services running into various dwellings. The necessity for good maintenance of the system can be clearly understood by everyone. The job of computing and then billing each individual service for the amount of water used is performed by our billing department. The amount of water used is measured by individual meters installed in all services.

### **Sewer Maintenance**

There are approximately 37.27 miles of sewer main now in use which is maintained by this department. In addition to this there are 3,266 active sewer services maintained under this appropriation. The majority of the mains are rodded and flushed annually to prevent blocking and insure maximum efficiency.

A constant problem is that of roots growing from trees and shrubs which work their way into the pipes and, in such cases, a cutter is used to eliminate this obstruction. Three pumping stations are maintained under this appropriation. These stations are checked daily as the danger of mechanical failure of the pumps is always with us. During the last year the interiors of two stations were painted.

We would like to take this opportunity to request the people of the Town to refrain from inserting rags or similar debris into their house sewerage system, which can and does create serious blocking of sewer lines.

### **Street Signs and Beacons**

Again this year, a survey was made in the early spring of the condition of the street signs, traffic signs and traffic light standards. This survey determines the signs and standards in need of repair and paint and its recommendations are now being followed. The sign shop installed in the cemetery division of the Public Works Department has been effective in doing this work. During the year 1960, approximately 8.95 miles of white center lines were put on various roads throughout the Town. These white traffic lines are an excellent safety measure and it is our intent to use them as much as possible.

### **Engineering**

This division, functioning under the Town Engineer, is responsible for the necessary engineering work required for the maintenance and enlargement of the Town's water distribution system,

sewerage system, drainage system, and the construction and maintenance of the Town's roads. This consists of the drafting of initial plans, the supervision of the work during construction, from the viewpoint of providing adequate construction lines and grades, to the final step of preparing record plans. The Town Engineer also provides all cost estimates on such matters as street construction for acceptance, sewer and water main extensions, sidewalk construction, and other miscellaneous items requiring estimates throughout the year. Upon completion of any of the previously mentioned items the engineering division determines the final cost. In the case of projects installed under the Betterment Act, such as road acceptance, sewer extensions, sidewalk construction, etc., final cost figures are submitted to the Board of Assessors upon completion of the work. This division is also responsible for the approving of subdivision plans from the engineering viewpoint to the Planning Board and for the recommendation of the monetary sum that is used by the Planning Board to determine the necessary bond. All construction work done in subdivisions is supervised by the engineering division and it is on the satisfactory completion of this work that bonds are released.

The above work of the engineering division is supplemented by such functions as establishment of street lines, inspection of houses before blasting, various traffic surveys, etc.

### **Administrative Staff**

The administrative staff actually functions as the nerve center of the entire organization, the main function being to route all business into the correct channels, thus having a direct bearing on the Department's ability to serve the public's needs. When it is considered that this business concerns the functions of water, sewer, highway, park, tree and cemetery divisions, in a Town exceeding 18,000 people, some idea of the demands upon the administrative staff is gained. A sizeable portion of the work consists of preparing contracts, computing weekly payrolls and bill warrants, computing and mailing of approximately 9,000 water bills yearly, purchasing of necessary materials, maintaining various cost records, etc. Other functions are of such a nature that they must be routed to the men responsible for the work; for example, requests to read meters, to shut off water, to relieve sewer plugs, requests for sanding, requests concerning tree problems, etc.

### **Road Machinery Maintenance**

The mechanical equipment of the Department is maintained by our maintenance crew. This crew is directly responsible for the upkeep of all vehicles and equipment which includes such units as a grader, bulldozer, mechanical shovel, road roller, snow loader and trucks of varying size. This ability to do the majority of our own maintenance work is strongly reflected in lack of time lost and

monetary savings. Repair of equipment and periodic greasing and oil changing is carried on throughout the year.

### **Rubbish Disposal**

A weekly rubbish collection takes place throughout the Town, employing the use of two trucks referred to as Load Packers. The addition of new homes to the Town, with their need for this service, is felt directly by this operation. It is interesting to note that since 1946, approximately 1,769 new homes have been built in the Town. We are pleased that over the last four years no additional personnel have been needed to keep up with the increased demand for this service. This is due to a considerable degree to the purchase of a new ash body in 1959. The type of body selected is larger than the one previously used and the mechanism so situated that the dumping of the debris into the body can be done a good deal faster. The net result is that fewer trips are needed to the dump site and the labor is simplified. I have purposely gone into some detail here, believing that this is a good example of the value of new machinery and the savings in labor it can aid in bringing about.

The Department maintains a dump site at the end of Spring Lane open six days a week for the convenience of the public. The site is leveled and compacted approximately once a week by the Department's bulldozer. A dump master is employed full time who is responsible for the maintenance of the site.

The Town is now facing the problem of acquiring additional disposal facilities which I believe should be done at the 1961 Annual Town Meeting. In the 1960 Warrant, Article 40 called for the purchase of additional land to be used as a dump site. The Finance Board recommended further study on this matter and requested a committee be appointed. This committee has been appointed and I have recommended to both this committee and to the Finance Board that action for additional rubbish disposal facilities be taken now. It is worth noting that a neighboring town, having failed to take action in the past, has been paying a yearly fee of \$15,000 for the last three years for the privilege of using the dumping facilities of another town. It is my hope that all parties concerned realize the seriousness of this problem and take definite action, bringing this matter to the attention of the townspeople with adequate recommendations at the 1961 Annual Town Meeting.

### **Road Machinery**

The Board of Public Works, authorized under Article 41 of the 1960 Annual Warrant, selected a National seven-foot grass mower, the low bidder on this equipment. This machinery is licensed for travel on the roads and has saved many hours resulting from its ability to move efficiently to the many park areas of the Town.

The Purchasing Committee, consisting of George J. McHale, John E. Finnegan, and Mrs. Frederick K. Carsley, authorized under Article 42 of the 1960 Town Warrant, selected an International tractor with a Wain-Roy backhoe attachment and bucket loader. The machinery selected was the lowest bid received.

This type of equipment not only digs trenches but has the necessary bucket loader for backfilling purposes. This latter attachment has also proven valuable for snow loading operations during the winter months.

### **Cemetery Division**

Lindenwood Cemetery consists of an area of approximately thirty acres which must be kept constantly mowed and in good condition. The work, begun last year, of filling a portion of the westerly section has been continued this year and the small brook running through this section is now piped off. The area filled contains approximately 1,078 graves and the only work remaining to be done is the loaming and seeding of this area. It is worth noting this has been accomplished over a period of time, the necessary fill being obtained from various construction projects and the Town's gravel pit and trucked to the site by department vehicles. Considering the cost of a grave (30 sq. ft.) is \$85, the monetary value of this work to the Town is apparent.

The program of hot-topping the various roads in the cemetery has been continued with the result that approximately 70% of these roads now have bituminous concrete surfaces. This work is done out of funds received from the sale of lots and graves and thus is independent of the tax rate. The sign shop installed in the cemetery continues to aid greatly in the maintenance of all signs in the Town. This work is done by personnel of the cemetery during the winter months. The cemetery truck is also used for plowing operations during the winter months where, due to the kind of blade utilized, it is extremely valuable in private ways of the type found to the south of South Marble Street.

During the year 1960 ninety-nine interments took place, and forty-nine new graves were sold. For a list of the receipts during the year 1960 your attention is respectfully directed to the report of the Town Accountant.

### **Park Division**

The Park Division maintains the parks of the Town, the Town Hall grounds, various areas for the department's recreational program located on school property, the two Little League fields, and twelve triangles throughout the municipality.

Continuing the work at the Little League field, located on lower Pomeworth, the wooden fence behind home plate was removed, the

area fenced, and a concrete wall poured. This work, done by personnel of the Park Division, has eliminated another poor feature in the initial construction of this field.

Work was continued on the Pomeworth Street upper field and it is our intention to continue this year. One of the main problems encountered is the constant use of the fields, which, to a considerable degree, forces us to do any major work in the Fall. As mentioned at the beginning of this report, we feel good progress has been made in preparing additional facilities for Recreation Park. The only work remaining to be done on the recently acquired land is the purchase and spreading of loam. An Article will be in the 1961 Annual Town Warrant requesting funds for the purchase of loam for this purpose. The interchange of personnel between the Park and Tree Divisions has occurred throughout the year as the demand merits. The Park Division is now in the process of repairing and painting the bleachers and aids the Department considerably during times of snow removal, with all possible equipment being utilized.

### **Tree Division**

During the past year ninety-three trees have been removed and a total of one hundred and sixty-seven trees planted. The planting program continues with the emphasis not only on new areas but also a definite attempt is made to replace any removed trees wherever possible. The trees are purchased while quite small and planted in the nurseries, one located off Franklin Street and the other at the end of Richardson Road. Considerable money is saved on the purchase price of trees under this system; once the trees have grown to adequate height they are removed from the nurseries and planted throughout the Town. The tree planting continues to be, wherever possible, on private property, thus avoiding any future heaving of the sidewalks or gutter areas, and minimizing the possible damage to trees from plows, motor vehicles, etc.

The spread of Dutch Elm disease continues to be the main problem facing the Tree Division. It is felt, however, that the disease is presently under reasonable control in the Town. Unfortunately, where no definite cure has as yet been developed, it is impossible to completely stop the spread of this disease. Over past years, during the Christmas season, a large pine tree has been purchased for decorative purposes on the Town Hall grounds. With the intent of saving the funds previously spent on purchasing a tree for this purpose a twenty foot Spruce was obtained and transplanted on the Town Hall grounds during the Fall of the year. It is felt this transplanting has been successful and that this tree will serve not only during the Christmas season for decorative purposes but will be a worthwhile addition to the landscaping of the Town Hall throughout the year. The gravel pit continues to serve as the area for brush disposal. This is necessary as the present Town dump site is rapidly approaching the saturation point. The Tree Division

has aided in the plowing and sanding operation throughout the Town and has assisted both the Cemetery and Park Divisions in times of need.

### **Article 35 — Office Building**

The favorable action given to the above article at the 1960 Annual Town Meeting has enabled us to begin the construction of this building, which, at the time of this writing, is approximately eighty per cent completed. Competitive bids were obtained and the contract for this construction awarded to the D. C. Construction Company, the low bidder, by the Board of Public Works. This building was designed by and all specifications drawn up by the Engineering Division of the Public Works Department, thus eliminating any need for expenditures for plans or specifications. The actual construction of the building is supervised by personnel of the Engineering Division. It is our hope that upon completion this building will be considered by the townspeople as a worthwhile addition to the Town.

I would like to sincerely thank the people of the Town who through their vote made the construction of this needed office building possible.

During the year 1960, Mr. John J. McHale, an employee of the Department, retired. We would like to take this opportunity to thank Mr. McHale for his very competent and faithful service over the past years.

This concludes my report for 1960. I would like to thank the Board of Public Works, the many other Boards of the Town, the various committees, the residents of the Town, and the personnel of the Department for their aid and cooperation throughout the year.

Respectfully submitted,

EDWIN D. CALLAHAN  
Superintendent of Public Works

## **REPORT OF BOARD OF PUBLIC WELFARE**

To the Citizens of the Town of Stoneham:

The Board of Public Welfare herewith submits its annual report for the year 1960.

Following the Annual Town Election, the Board held its first meeting on March 17, 1960, and was organized as follows:

Donald J. Morrison — Chairman

Alton W. Estes — Secretary

Michael J. Rolli — Clerk

At this meeting it was unanimously voted that the Board of Public Welfare act as members of the Bureau of Old Age Assistance for the ensuing year and this Board was organized as follows:

Alton W. Estes — Chairman

Michael J. Rolli, Secretary

Donald J. Morrison, Clerk

It was unanimously voted to make the following appointments:

Paul E. Houghton — Director of Public Assistance

Charles J. Meehan — Superintendent of the Town Infirmary

Rita M. Meehan — Matron of the Town Infirmary

Meetings of the Board continued to be held on the first and third Thursdays of each month, at which time all policies and activities of the Department were discussed and acted upon.

The office was open daily, Monday through Friday, from 8:30 A.M. to 12:00 Noon and 1:00 to 5:00 P.M.

Any citizen or client of the Department was given the opportunity to appear personally or to be represented at the Board meetings for information or to register complaints.

The department personnel continued to consist of a Director, two Social Workers, a Senior Clerk and a Junior Clerk.

All four categories of assistance are handled by this staff and each member is under Civil Service as required by law. In addition, legislation created a new program called Medical Assistance for the Aged to be administered by this department effective as of October 1, 1960.

The Federal Government and Commonwealth also reimburse and fifty per cent of the salaries and expenses of this office. The Commonwealth of Massachusetts also reimburses the town for twenty-five per cent of the salaries and expenses of all programs but General Relief.

The Federal Government and Commonwealth also reimburses the town for approximately eighty-four per cent of Old Age Assistance, seventy-three per cent of Aid to Dependent Children and seventy-five per cent of the Disability Assistance Program and Medical Assistance for the Aged.

Receipts from the Federal Government are placed in a separate fund and are used only by the Welfare Department. These funds are used in figuring our annual appropriation and our requests from the town are reduced accordingly.

### GENERAL RELIEF

The General Relief Case Load was slightly lower in 1960 than in 1959 and our expenditures in 1960 were \$15,075.36 which was \$2,878.19 less in 1960 than in 1959. We are returning an unexpended balance of \$2,924.64 to the Town.

The following schedule shows the activity of General Relief during the year:

### Comparison of Outside Relief Cases Aided, 1959-1960

	Cases	Persons	Cases	Persons
	1959		1960	
January .....	13	21	10	24
February .....	12	17	7	12
March .....	12	25	11	13

November .....	10	16	9	15
December .....	10	19	11	11
Total .....	145	237	114	202

### AID TO DEPENDENT CHILDREN

This category of assistance continued to fluctuate considerably during 1960 which is consistent with other years. As of December 31, we were aiding twenty-three cases at a cost of \$3,800.00 monthly. This is a decrease of one case over 1959 and a decrease of \$200.00 cash monthly over 1959. We are returning an unexpended balance of \$4,200.00 to the town.

The following schedules show the activity of this category of assistance during the year:

#### Analysis of Case Load

	Cases	Persons
Cases pending and receiving aid January 1, 1960	23	82
Cases received during year .....	10	22
Total .....	33	104
Cases closed .....	10	22
Cases being aided December 31, 1960 .....	23	82

	<hr/>
	\$38,065.61
Less: Balance Fed. Funds December 31, 1960	6,328.11
	<hr/>
	31,737.50
Net Cost to Town .....	<hr/>
	\$ 6,328.11

### DISABILITY ASSISTANCE

This is a Federal-State-Town participation form of relief which is given to permanently disabled persons, 18 years of age and over. We now have 11 cases on the rolls which cost approximately \$1,100.00 monthly. Our case load has decreased one case during the year 1960.

Hospitalization in this type of assistance may in any given year be extraordinarily heavy but we were fortunate in 1960 as this item was at a minimum. We expended \$6,012.43 less in 1960 than in 1959, principally due to minimum hospital charges. We are returning unexpended balance of \$3,459.06 to the town.

The following schedules show the activity of this category of assistance during the year.

#### Analysis of Case Load

Cases pending January 1, 1960 .....	0
Cases being aided January 1, 1960 .....	12

Net Cost to Town .....		<hr/>
		\$ 3,342.46

### OLD AGE ASSISTANCE

This category of assistance, as usual, was very active during the year 1960. A detailed report of Old Age Assistance will be found in the Report of the Bureau of Old Age Assistance.

### HELEN STOCKWELL FUND

This fund was created and set up many years ago by the late Helen Stockwell. The income from this fund is used for hospital care for any needy resident of Stoneham who is not receiving relief through the Welfare Department.

The Trust Fund is held and administered by the Boston Safe Deposit and Trust Company and the Welfare Department designates who is eligible for benefits. The Welfare Department investigates all cases and approves all bills, which are paid directly by the Boston Safe Deposit and Trust Company. This fund is set up to be used only in a Stoneham Hospital of which we have one, The New England Sanitarium and Hospital.

On May 19, of each year the unexpended balance is turned back into the principal and the income from the fund amounts to approximately \$5000.00 per year.

Requests for use of this fund in 1960 were more numerous than in 1959. In 1959, we expended \$1497.19 whereas in 1960 we expended \$4537.00.

#### Cases Aided by Helen Stockwell Fund

Cases	Cause of Hospitalization	Hospital Days	Cost
1	Cancer	28	\$ 265.00
1	Maternity	5	162.20
1	Heart	38	344.00

6		294	\$4537.00

## BUREAU OF OLD AGE ASSISTANCE

To the Board of Public Welfare  
Stoneham, Massachusetts

Gentlemen:

We herewith submit the thirtieth annual report of the Bureau of Old Age Assistance. This report is for the year 1960.

The Bureau met on March 17, 1960, and organized as follows:

Alton W. Estes—Chairman  
Michael J. Rolli—Secretary  
Donald J. Morrison—Clerk

The Bureau held meetings on the first and third Thursday of each month during the year.

All applications for assistance and reinvestigations are considered and acted upon at these meetings and any other business necessary for the carrying out of this program is discussed.

During the year, at least two home visits were made to all recipients and many additional calls were made to adjust grants and discuss problems of the recipients.

Cost of medical care in this category of assistance continues to be a major item of expense. This item is now exceeding the total cost of our monthly grants to recipients.

The legislation created a new program, Medical Assistance for the Aged, effective as of October 1, 1960. This necessitated the transferring of numerous Old Age Assistance cases to the new program in order to take advantage of the increased Federal participation.

The following schedules show the activity and financial status of this category of assistance.

### Analysis of Case Load

Cases pending January 1, 1960 .....	2	
Cases being aided January 1, 1960 .....	154

## INFIRMARY REPORT

To The Board of Public Welfare:

Gentlemen:

We herewith submit our Annual Report for the year ending December 31, 1960.

Number of patients cared for during 1960 .....	33
Number cared for as of December 31, 1960 .....	15
Paying boarders (full or partial) 1960 .....	13
Number of patient days .....	5866

Required supervision 24 hours a day is necessary in our home due to the senility of some of our patients and chronic illness of others. There is one attendant on duty 24 hours a day and the Superintendent and Matron are on call at all times.

The home continues to be inspected at different intervals during the year from a public health, welfare and safety standpoint. It was inspected by the State Department of Public Health, State Department of Public Safety, the local Board of Health, the local Wire Inspector and the local Fire Department. All required recommendations were complied with.

Several improvements and repairs to the interior and exterior were made during the year 1960 to insure continued safety and comfort for our patients. A new television set was purchased for the men's recreation room to replace one destroyed by fire. The walk-in refrigerator and washing machine were both overhauled. We also installed safety fuses in all buildings.

As in the past years, the acute problem of maintaining a complete staff of inside labor continues. This problem confronts all institutions of this type. We are unable to compete with private industries' high wages.

We wish to extend our sincere thanks to all towns-people for their generosity and kindnesses to our patients during the year. Our special thanks to Police Department for its prompt and efficient transportation of our patients to and from the hospitals. The clergy, doctors, church and civic organizations deserve no end of praise.

We also extend our personal thanks to all our personnel for their faithful service to our patients.

CHARLES J. MEEHAN, Superintendent  
RITA M. MEEHAN, Matron

## REPORT OF POLICE DEPARTMENT

January 23, 1961

Board of Selectmen  
Town Hall  
Stoneham, Massachusetts  
Gentlemen:

As Police Captain for the Town of Stoneham, and in compliance with the provisions of Article 3, Section 8 of the By-laws of Stoneham, I have the honor to submit the following report of the work accomplished by the Stoneham Police Department for the year ending December 31, 1960.

The regular members of the department are: Captain Bernard C. Vacon, Lieut. William H. O'Toole, Sergeants Andrew J. Tuney, John F. Matthews, Edward F. Geary and Dominic A. Lucci. Patrolmen George J. McDonough, George N. Savard, Walter R. Burns, George R. O'Brien, Fabian S. Koprek, Robert D. O'Melia, George C. MacDonald, William F. McNulty, Robert E. Moreira, Tony J. Asci, Edward P. McLaughlin, Francis F. Mahoney, Ernest A. Lucci, Stanley F. Konopacka, Henry C. MacKay, Jr., Edward J. Pinato, William E. Gorse, Jr., Gerald D. Mahoney, William F. Corcoran, William G. Joy, Albert J. Duff, Jr., Harold E. Balboni. Reserve Officers, Richard R. Burns, Raymond B. Blauvelt, Robert M. Carlson, Robert J. Jenkins, David F. Roberts, James T. Duff, James E. McLaughlin and Robert A. Powers. Frederick C. Mahn is still on military leave.

I want to express my appreciation to the members of the department for their devotion to duty and the efficient manner in which they performed their duties.

I also want to extend my sincerest thanks to the members of the Board of Selectmen for the support and cooperation that was given to the Police Department during my first year as administrator.

Yours very truly,  
 BERNARD C. VACON  
 Captain of Police

### Investigating Sergeant

I hereby submit, as investigating Sergeant for the Police Department, the following report for the year 1960:

Larceny by check, 24. Restitution made, 20. Arrests, 1.

Complaints investigated, 70.

Missing persons investigated, 9.

Hold-ups reported, 2. Hold-ups cleared by arrest, 1.

Narcotics arrests, 2.

Breaking and entering and larceny: Arrests, 7 males, 3 delinquents.

Using motor vehicle without authority; Arrests, 6.

Superior Court attendance, 40. District Court attendance, 45.

Liquor license applications investigated, 71.

Fingerprints taken, 137.

Pistol permits issued, 97.

Overtime worked (no extra pay), 240 hours. Using our own cars, one of which is equipped with two-way radio.

Inspector Robert E. Moreira made many of the investigations mentioned above and also generously contributed much of his free time to youth activity when he organized the PAL League.

A bullet loading machine was purchased, giving a considerable saving on the cost of ammunition and allowing for a stepped-up program of practice defensive shooting for members of the department.

We wish to extend our thanks to the members of the Board of Selectmen for their cooperation and assistance in many ways to promote efficient police officers.

Respectfully submitted,  
Andrew J. Tuney, Investigating Sgt.

Board of Selectmen  
Town Hall  
Stoneham, Massachusetts  
Gentlemen:

I hereby forward the Annual Report of the activities of the Auxiliary Police as submitted to me by Auxiliary Captain Albert Murphy.

This organization has been very cooperative and has given freely of its time whenever the regular force has called upon them for assistance. I want to thank Captain Murphy and the entire Auxiliary Force for their untiring efforts in assisting the Police Department in the handling of our complex traffic problems.

Yours very truly,  
BERNARD C. VACON  
Captain of Police

## REPORT OF AUXILIARY POLICE

1 Public Garage .....	13,500.00
1 7 Unit Nurses' Home .....	73,000.00
2 Stores at Redstone .....	355,000.00
5 Public Buildings .....	63,300.00
4 Sheds .....	900.00
1 Foundation for house moved .....	500.00
21 Signs .....	<hr/>
Total Estimated Value .....	\$1,793,158.00

Respectfully submitted

BERNARD H. CORBETT  
Building and Wire Inspector

## REPORT OF SEALER OF WEIGHTS AND MEASURES

Stoneham, Mass.  
January 12, 1961

To the Board of Selectmen:  
Gentlemen:

I submit my report of the Sealer of Weights & Measures Dept. for the year ending Dec. 31, 1960 as follows.

There have been several new installations at Service Stations during the year. One completely new station has been opened and

new meters have been installed in several others. All have been carefully checked and sealed.

There has also been new weighing equipment installed, particularly in the Supermarkets, which has also been tested and sealed.

Much needed repairs have been made to the shed housing the Town Scales and the platform has also been repaired and the whole equipment is now in good condition.

The State Inspector has recently checked my working equipment and the State Standards, and found them in satisfactory condition.

Fees to the amount of \$168.60 have been collected and turned over to the Town Treasurer. A summary of the work performed is attached.

Respectfully submitted

J. A. FORBES, Sealer of Weights & Measures

#### Summary of Work Performed—1960

Devices Tested	Adjusted	Sealed	Non-Sealed	Condemned
Scales over 10,000 lbs. ....	2	4		
Scales 100 to 5,000 lbs. ....		8		
Scales under 100 lbs. ....	13	69	4	
Weights—Avoirdupois .....		63		
Weights—Apothecaries .....		153		
Meters, 1 inch inlet or less .....	9	67		
Meters, more than 1 inch inlet .....		5		
Grease Pumps .....		12		
Totals.. .....	24	381	4

22 on FIRE ALARM

All grades, 7:00 a.m.

Grades 1-6, 7:15 a.m.

Radio broadcasts will be made on WBZ, WEEI, WHDH, and WNAC.

## **REPORT OF THE SCHOOL COMMITTEE**

To the Citizens of Stoneham:

The seventieth annual report of the Superintendent of Schools is submitted to you herewith, together with this report of your **School Committee**.

The effectiveness of a School Committee might well be measured by some of the things it does not do, as well as by some of the things that it does. While it does not interfere in the detailed operation of the department, it must create a climate in which the professional members of the staff can innovate and improve in the quality and quantity of instruction provided. And once such a climate has been created, it is the responsibility of the Committee, **directly and through the people whom it appoints, to provide a staff which will take full advantage of its opportunities.**

The present Committee is most happy with the calibre of the administrators and teachers who have been attracted to our system, while recognizing that there is much room for even further improvement. During the past year we have had more than the usual contact with many key members of the staff, contacts which we hope have been mutually profitable.

The Committee has placed growing emphasis upon communications with parents and public, and it has made a thoughtful **attempt to keep a steady flow of honest information going out.** We recognize that the quality of our schools will mirror, in final analysis, the wishes of the people who support them, and that there is a constant need to inform as well as we possibly can. In this effort, **The Stoneham Independent and The Stoneham Press** are entitled to credit for their fine coverage of school news.

Stoneham, like other towns, continues to live with the demand for greater quantity and better quality of education. The former we might effect, the latter we want to encourage. We know the problems inherent in the growing financial requirement of our educational system, and we can only hope to spend the Stoneham

dollar a little more effectively and a little more wisely than other communities. Of our budget, over eighty-two per cent is in salaries. In this respect it is our feeling that some salaries have now reached a point where they reflect the value of the individual to the system, and they are competitive with money returns which that individual might get in other areas of endeavor.

Except for the Junior High School, where the heating system needs a major overhaul, the physical plant is in excellent condition. Our school population continues to increase at the rate of about four per cent annually, the equivalent of four to five new classrooms every year. Additional space needs are now apparent at both elementary and secondary levels, and we hope that we will soon be ready to ask for necessary additions to present school buildings. The Town is fortunate in having a School Survey Committee which is working and planning continuously to define these needs.

The opportunity which the Committee has had during the past year to work with members of the school staff has been a source of real satisfaction, and it has been an education to us on the Committee. We wish to thank publicly the many dedicated and effective members of that staff and also the many organizations and individuals whose support is the basic strength of our school system. The good relationship between the School Committee and town officials, including the Finance and Advisory Board, the Board of Selectmen, and the Board of Public Works, has been particularly pleasing.

During the past year, many friends of the schools have passed on. We wish to mention particularly Mr. Edward Adzigian, a loyal and devoted worker, who was the second active member of the School Committee to die in office within the very recent past; and Mr. Charles Varney, Superintendent of Schools for twenty-one years until his retirement in 1950. Their help will be missed.

Your Committee wishes to express its appreciation for the opportunity of service and for the support of the townspeople. We look forward confidently to continuing improvement in the quality of education which we offer to the children of Stoneham.

DAVID C. WHITEHOUSE, Chairman

HUGH R. BOYD, Vice-Chairman

MRS. RICHARD T. JENKINS

DR. MAX J. KLAINER

# ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee:

I herewith submit my fourth Annual Report. This, together with the reports of the various departments, should help to inform parents and citizens about the school system.

The schools have many functions in their work of preparing youth, but in this protracted "cold war era" when national survival may be at stake, brain power is essential. It eventually is more important than manpower, horsepower, or machine power because brain power is the creator or producer of the latter two and is the strongest scion of the former. Hence, the most important function of the schools is to nurture and foster the development of brain power. This is best done by instilling intellectual curiosity, a respect and thirst for knowledge, and proper guidance as to their use. As a result, the reappraisal and re-evaluation of American education continues. Almost every American realizes that education is an important aspect of our national progress, in addition to being an important insurance for national survival.

In Stoneham, we continue our efforts to meet the challenge. In workable terms, the challenge is twofold:

- (1) To offer a comprehensive program which satisfies the needs of all the youth of the community.
- (2) To offer programs which meet the needs of the academically talented as well as the average student.

The distribution of our graduates attests to the results of the first. Slightly more time is needed to evaluate the end results of the latter, especially the work offered for the talented which includes accelerated work in arithmetic, languages and science in the elementary and secondary school levels.

In our attempts to provide for the talented pupils, we are very mindful of providing a challenge for the average group or even the below average. In short, our goal is to challenge all of our pupils to the degree most appropriate to each group.

Our test scores on standardized tests have continued to rise. Exceptional gains were made in several areas with respectable gains in all subject areas.

College entrance examination scores of our students are considerably above average and are reflected in the admission of our students to college. Our results show that we are offering programs that can lead to admission to any college in the country.

More and more of our students are continuing their education

in college and schools of higher learning. Approximately sixty per cent of last year's graduates are continuing their education. Several are studying at the most reputable colleges or universities in the country. Other accomplishments include the establishment of the town-wide Spelling Contest, a News-Wise program in the secondary schools to encourage our students to become better informed concerning international, national, state and local current events, and completion of courses of study in English, Latin, business education, guidance, and a booklet on the Stoneham Reading for Pleasure Program.

In our efforts toward making a more cohesive unit of the four-year span (grades 9 to 12), we have initiated mid-year and final examinations in grade 9. In addition, the work of the students has been definitely upgraded, and we have had many favorable comments concerning this matter.

Other achievements are listed in the annual reports of the supervisors and principals. Specific recommendations concerning our strengths and needs are also found in those reports and in the report of Chairman Whitehouse.

In our attempts to provide dynamic leadership for quality education, we are deeply appreciative of the efforts of our staff members who have repeatedly demonstrated their co-operation in the many activities and projects involved to improve the education of our youth.

In mentioning the staff, we would be remiss in failing to express our appreciation to Mr. William M. Nadeau who has signified his intention to retire. He has served our youth well for over thirty-five years, first as a teacher and then for many years as principal of Stoneham High School. Our sincere thanks go to him for his co-operation, counsel and assistance. We extend our wishes for a long and pleasant retirement.

A word of thanks is also extended to the office staff for their help in performing their very necessary work and to the custodial and maintenance staff for keeping the school plant in good operational condition.

The large number of visitors, requests for materials, requests for members of the administration and staff to participate in educational conferences, college lectures, symposia, etc., and letters of commendation and metropolitan newspaper articles (Boston Traveler of February 2, 1960 and April 27, 1960) furnish some evidence that education in Stoneham is dynamic and effective.

The co-operation of staff and other town departments and the support and interest of the townspeople in the schools are exemplary. This type of support is almost as necessary as financial support to provide an environment for a good education for our youth.

Appreciation is extended to the members of the School Committee who have given unstintingly of their time in working for better education. This is the type of support that enables the administrators to build a staff whose calibre, morale and interest are sufficiently high to seek new and better ways to improve the education of our youth.

With such united efforts, we can take off our hats to our recent achievements and roll up our sleeves to the future.

MICHAEL SCARPITTO, Ph.D.  
Superintendent of Schools

—The Foundation of Every State Is the Education of Its Youth—

## **Report of the Elementary Supervisor**

### **Education for Exceptional Children**

#### **The Retarded**

Special provision for the training and development of both the gifted and mentally retarded children has been accomplished during the past school year in the Stoneham elementary schools.

Three classes have been established for these children, one on junior high level, which includes children on the upper grade level; a class for the younger children; and a class for the trainable at the Robin Hood School. The latter was a state requirement since the number of pupils in Stoneham requiring this type of training exceeded five children. Equipment and supplies suited to the needs of these children and teachers with special training for the work with these children have been provided.

#### **The Gifted**

In addition to the instruction in French in the intermediate grades, children have been selected in each elementary school for advanced instruction in science. Through the National Defense Act special supplies and equipment have been purchased for these groups. These supplies and equipment will also be used by the regular classroom groups so that the children in all the elementary grades will benefit from the new materials of instruction in science.

The classes made up of those children who have shown special ability and interest in science will meet weekly, one afternoon a week after school, and will have the opportunity to explore their special interests in various projects under the expert guidance of a group of special science teachers.

## **Developmental Reading**

In the fifth and sixth grades of all elementary schools we are inaugurating a developmental reading program through the use of the Reading Laboratories of Science Research Associates.

The laboratory consists of particularly interesting stories and exercises designed to meet the needs of children with different reading abilities and needs. Each child begins at his own level and may proceed as fast as he is able from one level to each succeeding level. Teachers report this program is very popular and the results are gratifying. It is our belief that this developmental program will be a valuable supplement to our basic reading program and the large amount of reading for pleasure already in practice in the elementary grades.

## **Report of the Junior High School Principal**

The Stoneham Junior High School reached an October 1 enrollment of 816 pupils. This represents a figure much above the capacity of our present facilities. As a result of this increase we have found it necessary to curtail some of our long-range plans. These plans had included increasing the offering in shop, mechanical drawing, home economics, and typewriting.

Our pilot group in mathematics has now reached grade nine. This group is taking a full course in plane geometry. We have added world history, biology, home economics, and art to our grade 9 program.

The physical conditions of our plant have been improved in several ways this year. Eight classrooms have had acoustical ceilings and tile floors installed. We have replaced four rooms of classroom furniture; six classrooms, the office area, a corridor, and the cafeteria kitchen were painted. We also installed 150 new lockers to take care of increased population.

The funds provided in a special article for renovation of the gymnasium area have been put to fine use. The renovation included a new floor, painting, a new wall on the west corridor, and activation of the intercommunication system. We are still anticipating the completion of the dividing door remodeling and the installation of a portable stage. It has been most gratifying to see the improvement made in this area.

The faculty of the Junior High School was increased by four new positions this year. This brings our professional staff to thirty-seven members with three part-time additional members.

This expansion has been necessary because of the increase in student population.

This year the Junior High School has moved forward at a considerable pace. It is hoped that the future years will be as productive in bringing new horizons in education to Stoneham.

DANIEL W. HOGAN, JR.  
Principal

## **Report of the High School Principal**

The progress of our work in the high school has been marked during this past year by significant advances in the academic achievement of our pupils and by the general upgrading of our program of athletic activities. We submit that as a result of these advances the whole pattern of our school life has been strengthened, the spirit of the school has been reactivated and the instructional program has produced better prepared pupils to advance in higher education.

In the field of school activities the School Committee has provided a new office in appointing Mr. Fawcett, director of athletics. Mr. Fawcett's background of training and experience fitted him to serve very well in this capacity, and he lost no time in reorganizing this program which already is producing remarkable results.

Greater emphasis has been placed on pupil leadership in student affairs through the reorganization of the student council. Under the supervision of Mr. Kiamie we have observed results in the increase of the number of projects initiated and carried out by the council. Club groups and organizations have been stimulated as side effects of council activities, and school spirit has been excellent.

We have continued work on curriculum guides, and in most areas these are completed. All others are near completion and will be in published form before the close of this school year. These guides are serving to give purpose and direction in all our class instruction. They are so well done and answer such a need that we are constantly receiving requests for copies from other school systems.

As a further development of curriculum needs we have recently been giving our attention to the demand for a program for the superior and talented students. Already some of our students achieve advanced placement in college in some subjects, but we are concerned with providing special instruction for highly selected groups. Our present homogeneous grouping provides some selection for the brighter pupils, but this selection should be refined and plans call for small talented groups in several subjects and on each grade

level. These will be possible as present accelerated groups in the junior high school move on to the high school.

We continue to find it difficult to secure competent teachers to meet our needs, largely because we cannot compete financially in recruitment, and sometimes are unable to retain top people who leave to go to other systems for substantial advances in salary. I know the Committee has been giving careful study to this problem and I am confident the remedy will be forthcoming.

In spite of the crowded conditions in our colleges we have been able to place all qualified students, and our follow-up of these young people shows they have received adequate preparation. As I indicated in my last report we have students in most of the major colleges of New England, and students in the best representative colleges in other areas across the country. The educational program we offer admits our qualified young people to any college in the country without further preparation.

This will be my last annual report as principal of the high school. You already have my notice of retirement in March, 1961. It may be fitting to record here some of the changes and advancements I have observed in our school in the years I have served as principal.

The curriculum academic program has been strengthened by lengthened periods and a lengthened school day. Subjects added to the curriculum include, world geography, consumer education, advanced mathematics, laboratory biology, business machines, printing, personal typing and metal shop. In addition to adding subjects to the school offerings all academic subjects are now given five periods per week instead of four, adding materially to the hours spent each year in all major subjects.

Recognition of academic achievement has been marked by the institution of a chapter of the National Honor Society and the establishment of the varsity scholar awards.

The "Reading for Pleasure Program" instituted in all the schools by Dr. Scarpitto has had a profound motivating influence on the reading habits of our high school students and results are evident in improved reading achievement in all areas.

In the field of music, a uniformed band has been organized with a qualified instructor and the vocal music program extended to include workshop in music appreciation, choir, chorus, and special groups meeting regularly on school time with added competent instruction. Participation in area and state music festivals have motivated the work of these groups.

In the field of extracurricular activities, significant additions include the Senior Tea, an active student council, various club activities, track, and golf.

With the new building five years ago many programs were extended and refined because of the adequacy of facilities which were so lacking before. The new facilities were received with an upsurge of pride and enthusiasm and pupils still show appreciation for the fine building by taking excellent care of the school and its equipment.

The addition of an organized guidance program and personnel, has been an outstanding contribution provided by the Committee, and our trained staff for the first time approximates the professional needs of a modern high school. This single contribution to our total program cannot be fully appreciated unless one knows the complexity of development in the area of individual counseling, group instruction and placement in colleges and industry.

Through the years I have had the privilege to serve with an excellent staff of co-workers whose dedication to the advancement of our young people has always been a great source of satisfaction. To those who continue to serve in our system and to the many who have left for reasons of professional advancement I extend my personal heartfelt thanks.

May I take this opportunity to extend my thanks to Dr. Scarpitto for his many kindnesses and wise counsel and to the School Committee for the interest they have shown in the work of the school and their consideration for my own efforts.

I would also extend my thanks to many friends in the community; supervisors, teachers in other schools, parents and others, who have helped to make my years in Stoneham very happy ones, indeed.

WILLIAM M. NADEAU  
Principal

## **Annual Report of the Director of Guidance**

The editing of a guidance curriculum guide and the addition of a junior-senior high school counselor featured the progress of the department during the past academic year.

The curriculum guide has been sent to leading communities and to all school systems in Massachusetts. Many favorable comments have already been received on this account. The addition of a counselor was necessitated by the increase of school population.

Approximately fifty-one per cent of our graduating class is attending post-high school institutions. Some of the leading schools to which our seniors were admitted are Harvard, Worcester Polytechnic Institute, Rensselaer Polytechnic Institute, Tufts, Dart-

mouth, Cornell, Williams, Wesleyan, Boston University, Bates, and the University of Massachusetts.

The preliminary Scholastic Aptitude Test has been continued along with our regular testing program which consists of an intelligence test, the Iowa Test of Basic Skills, achievement and cooperative tests.

Guidance classes in grades eight and ten continue to offer both academic and vocational guidance to students. The course in grade ten is geared to meet the different needs of the various students in the college, business and general courses.

We are pleased to report that one senior became a semi-finalist in the National Merit Scholarship Test. Four other seniors were given honorary certificates for the same test.

Follow-up studies of students graduating from the Stoneham School System are continuing. This includes a study at one, two, three, and five-year intervals.

MARTIN MARTINIAN  
Director of Guidance

## **Report of the Supervisor of Art**

The Art Department, this year, has offered a great variety of activities for creative expression at all school levels, which have stimulated and satisfied many of the exploratory and constructive needs of our students. Creative art is indispensable to any walk of life for it is tied up with all types of choosing and planning and requires keen observation, thinking, and good judgment in its development.

Our excellent corps of teachers have helped to make art a vital part of all our children's learning through which they have gained confidence in their own ability. As their attempts become more harmonious so does the thinking of the children who produce them.

Last spring our elementary teachers benefited from the observation of several art demonstration lessons given at a workshop for them, by our own art teachers. It was held along with an exhibition of children's drawings from our various schools. In this manner, practical ways were pointed out by which our teachers could improve similar procedures in their own classrooms.

With a far larger group of Junior High School students than we have ever had before, opportunity has been given for creative experiments with the use of water colors, crayons, cut paper,

chalk, pastels, poster paint, pen and ink and paper sculpture. They have studied design, color harmony and composition used by famous artists and many have given reports to their classes concerning the artists' lives and works. Visual aids have been used in order to stimulate appreciation. They have learned about and tried using clay for ceramics, cutting of block prints for Christmas cards, experimented with the silk screen process, worked with papier-maché, mobiles, stenciling, enameling and made decorations and posters for many school activities.

In the High School, this year, hundreds of useful and beautiful objects in crafts have been made by the students. Ceramics, leather craft, enameling, silver craft, block printing, paper sculpture, and textile painting have followed lessons in creative design, offering a functional use for their efforts as well as beauty in their possessions.

Field trips have been taken for sketching out-of-doors and for visiting art galleries and schools.

High school students have made signs and posters for innumerable school activities such as plays, concerts, sports, dances, safety at school, Boosters Club, P.T.A. and the holidays. They have kept constantly changing displays of their work in the three school showcases.

The designing and making of the annual Carnival Ball scenery and properties is one of our tremendous undertakings each year.

Decorations consisting of such things as favors, floral arrangements and many other artistic endeavors have been created for any number of meetings, receptions, school dances, plays, Senior Tea, and graduation activities where art enriches the whole school program and encourages gracious living.

We hope and believe that through the creative efforts of our students in Stoneham, this year, they have made better individual adjustment to their environment, that art has contributed to enrichment of living, motivation of interests and clarification of thinking while developing appreciation and skills.

ELEANOR M. BAKER  
Art Supervisor

## **Report of the Supervisor of Music**

Music in the Stoneham Public Schools emphasizes music education for all. Our aim is to develop a love, understanding, and enjoyment of good music. This is best accomplished by starting in the elementary schools with a well-balanced program that provides

all children with many opportunities for exploration in the varied activities of the music program. Each worth-while musical experience a child has helps him to better understand music and to develop music skills.

Music is an important factor in the child's growth and development. We are concerned with the child's musical growth as it begins in the elementary schools and continues and develops in junior and senior high schools and ultimately extends into adult life.

The variety of experiences enjoyed in elementary music classes continues on in the seventh and eighth grade general music classes. Provisions are also made for the more talented but we feel that every child should love and enjoy music at his level of understanding and ability.

The music organizations in the Senior High School include music appreciation, girls' octet, girls' choir, boys' glee club, mixed glee club, assembly singing, orchestra and band. Our instrumental program is making great strides. These groups perform for many school and community functions during the year. Some members participated in the All-District Concert in Lynn, Northeastern Massachusetts Music Festival in Woburn and the All-State Festival in Worcester.

We are especially appreciative of the effort of the newly formed Band and Orchestra Parents Association for its assistance in our work.

We owe a great responsibility to our boys and girls in helping them to develop a love and an interest in music so that as they mature they will find enjoyment in creating and listening to good music in their leisure hours.

GILDA V. WIPPERMAN  
Music Supervisor

## **Report of the Supervisor of Physical Education**

The aim of the Department of Physical Education is to offer opportunities for proper physical development and to relate this growth to everyday life in school and thereafter.

Continued efforts are focused on the enlargement and improvement of facilities to encompass as broad a program as possible with considerable attention centered on the fitness aspect. In the absence of gymnasiums on the elementary level, the playground areas have been developed to carry the burden of physical education class work. Materials for testing all sixth grades have been procured from the American Association for Health, Physical Educa-

tion and Recreation, and this program will be administered during the spring and extended to include the fifth grades in the fall.

The elementary touch football intramural league was won by the Robin Hood School under Dean Murch's direction, and the basketball league is functioning for the first time with games being played twice a week at the Robin Hood and North School gyms.

Most noteworthy in the expansion of activities on the high school level is the weight-lifting program which involves grades ten, eleven and twelve. A trampoline has been installed at the high school, a gift of the class of 1960, and plans are under way to install jumping and vaulting pits in the rear of the High School this spring.

The program at the Junior High School has been limited this year because of the lack of folding partitions between the boys' and girls' gyms. Expansion of activity will be effected in the fall, particularly in the areas of apparatus work and broader testing.

The department extends sincere thanks to the elementary school classroom teachers for their co-operation in conducting the program in the grades.

KARL P. ELERIN

Supervisor of Physical Education

## **Report of the Athletic Director**

Today, as our youth prepare to meet the demands of life in the space age, the athletic department has a basic responsibility for meeting many of their needs through a broad athletic program. We have provided a wholesome program of sports in which students, parents, patrons, and friends of the school have shared. The scope of the athletic program meets the interest needs of as large a percentage of the student body as the limitations of personnel, facilities, and equipment permit. "An activity for everyone and everyone in an activity" is our continual aim.

Our athletic teams are reasonably well equipped for efficient participation and personal safety. The efforts of our football, basketball, field hockey, ice hockey, cross-country, baseball and golf teams reflect good coaching and achievement in good sportsmanship.

We have made tremendous progress this year in obtaining proper continuity of program content. Community resources are utilized to enrich the school program (bowling alleys, tennis courts, ice hockey rink, golf courses, etc.). The number of students taking part speaks well for the pupil appreciation of the valuable program offered.

Nevertheless, we are making every effort to expand our athletic program, and co-ordinate our interscholastic athletics, intramurals, and recreational programs.

School populations are growing, the towns are getting larger, our league is getting better. There is a need for expansion.

Student enthusiasm for our athletic program has increased. The program serves as a focal point for the morale, spirit, and loyalty of the students by providing a common meeting ground. We have made great progress in encouraging students to develop athletic interests in the junior and senior high schools. Our first year of athletic rejuvenation has been successful as a result of cooperative planning by the School Committee, Superintendent of Schools, principals, community organizations, and our athletic staff.

We wish to express our thanks to the School Committee, the administration and the whole staff, the Park Department, and the many others who have made possible a fairly successful athletic year and a definite revitalization of the athletic program.

JOHN H. FAWCETT  
Director of Athletics

## Annual Report of the School Nurses

### Good Health — Key to Better Living and Learning . . .

During the past school calendar year the health department was staffed by one full-time nurse and a three-quarter time nurse.

Dr. Henry E. Leavitt, school physician, examined 999 students for required or sports physical examinations. One hundred sixty-seven students were referred to private doctors for physical defects found during these examinations. Sixty-nine students of this group received correction of defects.

The health staff completed annual hearing and vision testing on all students. As a result of the vision test, 215 failed, and of this number, 141 were seen by eye specialists. Likewise, as a result of hearing tests given, seventy-one failed, and of this group, thirty-three were seen by ear specialists.

Follow-up work by the nurses, as time allowed, encouraged correction during the year.

The Mantoux Tuberculin test was administered to the children in grades one and eleven, in cooperation with the local Board of Health Department. Positive reactors were referred to the Middlesex County Sanatorium by the Board of Health Department.

The School Health Advisory Council met several times during the year. The theme of these meetings was, "Does Stoneham Have a Need for a Mental Health Clinic?" It was revealed that this is a community need of Stoneham and several surrounding towns. Representatives from Stoneham and other towns at the council meeting formed a steering committee to study this problem further.

MRS. BEULAH E. FORBES, R.N.

MRS. JANE McHUGH, R.N.

## **Annual Report of the Attendance Officer**

The number of truancy cases in the Stoneham Public Schools is at a minimum. This is due to the diligent efforts of the principals and staff members who are directly connected with pupil attendance. There were five minor attendance cases reported for investigation.

JOHN K. BOYLE

Director Special Services

## **Report of the Cafeteria Supervisor**

The cafeteria program has again increased in participation.

The facilities at the Junior High School have been greatly improved by the addition of a new serving counter. We now have two serving lines making the service much faster. It is proving very satisfactory. Because of the addition it was also necessary to add extra employees, part time.

Surplus food commodities from the government are in greater variety thus far this fall, again enabling the cafeteria program to operate without deficit.

Y. ARZELIE CROSS

Cafeteria Supervisor

## **Report of the Maintenance Supervisor**

### **Maintenance of Physical Plants**

During this past year many repairs and improvements have been made in our school buildings to improve their operating efficiency. Listed below are some of the repairs and improvements to our eight public school buildings.

**North School** has a new electric range in the kitchen. The combustion chamber of the boiler has been repaired. A new portable stage has been installed so that another basketball backboard can be added in the gymnasium.

**South School** has a new door from the stair well to the stage and a set of exterior lights for the front of the building. The shrubbery has been pruned to improve the landscape of the school.

**East School** has new wiring in the kitchen and basement areas. A safety exit door from the boiler room to the kitchen and a new boiler combustion chamber have been installed. On the school grounds a new asphalt play area has been constructed.

**Emerson School** has new paving for the parking area, new wiring for an electric range, and has had a new oil burner installed with all the necessary equipment to replace the coal stoker in the boiler room.

**Robin Hood School** has a newly surfaced gymnasium floor, and new basketball backboards have been installed. Pneumatic controls in the old section have been completely overhauled, including the replacement of compression pumps. The interior of the original section has been completely repainted. The Robin Hood School Building Addition Committee has helped beautify the grounds.

**Colonial Park School** has had minor roofing and plumbing repairs during the year and has had the columns in the front of the building painted.

The **Junior High School** has had its home economics room completely rebuilt with new cabinets, ranges, washers, dryers, etc. at no direct expense to the taxpayers. The money was obtained from federal funds.

Several rooms and corridors have been repainted. New asphalt tile floors and acoustical tile ceilings have been installed in our long-range renovation plan. New desks and chairs have been purchased for several rooms. The gymnasium has new heating pipes and a new maple floor. A new partition between the balcony corridor and the gymnasium has been built. The third-floor auditorium has been partitioned into two classrooms.

**Stoneham High School** plant and grounds are in excellent condition. New curtains have been installed in the cafeteria, and the combustion chambers of the three boilers have been repaired. The exterior of the building was repainted in the first stage of our long-range maintenance schedule so as to keep this building in a condition that is a credit to our schools and community.

In general, the Stoneham Public School buildings are in good condition. The Junior High School is the one building of major concern, due to its heating system. As for the other schools, if proper attention is given to vigilant boiler maintenance, long-range landscaping, renovation, and painting schedules, the present school buildings should give good service to the Town of Stoneham.

JOHN K. BOYLE  
Supervisor of Maintenance

# SCHOOL DEPARTMENT BUDGET FOR 1961

	1960 Appropriation	1961 Budget Request	Difference
GENERAL CONTROL AND INSTRUCTION:

Column C2 less Column B3 .....	1,800.00

Total ..... \$5,750.00 (Same as Column C6 above)

Note: Column A5 will be B5 and also A2 next year, and it will affect the 1962 budget; however, this figure will be different if there are staff and salary changes between now and the school year 1961-62. This year the difference is \$100 more.

	1960	1961 Budget
OPERATION:	Appropriation	Request
Fuel:		
North School .....	\$ 1,000.00	\$ 950.00
South School .....	1,100.00	1,050.00
East School .....	800.00	750.00
Emerson School .....	1,500.00	1,200.00
Robin Hood School .....	3,800.00	3,600.00
Colonial Park School .....	1,900.00	1,800.00
Junior High School .....	5,300.00	5,100.00
High School .....	7,500.00	7,000.00
Totals .....	\$22,900.00	\$21,450.00
1960 Appropriation .....	\$22,900.00	
1961 Budget Request .....	21,450.00	
Difference .....	\$ 1,450.00	less

Electricity:		
North School .....	\$ 650.00	\$ 650.00
South School .....	650.00	650.00
East School .....	650.00	650.00
Emerson School .....	650.00	650.00
Robin Hood School .....	1,900.00	3,500.00
Colonial Park School .....	1,000.00	1,100.00
Junior High School .....	3,900.00	3,900.00
High School .....	7,800.00	7,800.00
Totals .....	\$17,200.00	\$18,900.00
1961 Budget Request .....	\$18,900.00	
1960 Appropriation .....	17,200.00	
Difference .....	\$ 1,700.00	more

Last year was the first year including the additional ten rooms at the Robin Hood School, and we had underestimated the cost.

Gas:		
North School .....	\$ 25.00	\$ 25.00
South School .....	55.00	55.00
East School .....	25.00	25.00
Emerson School .....	40.00	30.00

	1960 Appropriation	1961 Budget Request
Robin Hood School .....	275.00	275.00
Colonial Park School .....	45.00	45.00
Junior High School .....	1,200.00	1,400.00
High School .....	250.00	275.00
Totals .....	\$1,915.00	\$2,130.00
1961 Budget Request .....	\$2,130.00	
1960 Appropriation .....	1,915.00	
Difference .....		\$ 215.00 more

This difference accounts for the increased use of gas needed to feed the students who make up the increase in population in Junior and Senior High Schools.

#### Telephones:

North School .....	\$ 125.00	\$ 125.00
South School .....	150.00	150.00
East School .....	100.00	100.00

1961 Budget Request .....	1,090.00	
Difference .....	\$ 45.00 less	

#### OPERATION:

Truck and lawn mower expenses — gas, oil, registration and fire in- surance on truck .....	\$ 315.00	\$ 315.00
Miscellaneous — towels, toilet paper, waxes, and other janitorial expenses .....	5,400.00	5,800.00
Total for the above two items ....	\$5,715.00	\$6,115.00
1961 Budget Request .....	\$6,115.00	
1960 Appropriation .....	5,715.00	
Difference .....	\$ 400.00 more	
Total for all 1961 operation items ex- clusive of salaries and fuel .....	\$30,529.00	
1960 Appropriation for comparable items ....	28,079.00	
Difference .....	\$ 2,450.00 more	

The increase of \$2,450.00 in 1961 is explained under the individual operation items.

# Summary of Maintenance Division Salary Recapitulation

1	2	3	4	5	6
Legend	School Year Salary Rate	Increments Affecting Calendar Year	Increments Affecting School Year	School Year Salary Rate	Total Salary for Calendar Year
A Column 2, School Year 1960-61; Columns 3 and 6, Calendar Year 1961; Columns 4 and 5, School Year 1961-62 .....	\$11,420.00	\$6,960.00—	\$6,920.00—	\$4,500.00	\$4,460.00
B Column 2, School Year 1959-60; Columns 3 and 6, Calendar Year 1960; Columns 4 and 5, School Year 1960-61 .....	7,000.00	2,210.00	4,420.00	11,420.00	9,210.00
C Difference .....	\$4,420.00 +	\$4,750.00—	\$2,500.00—	\$6,920.00—	\$4,750.00—
	1960 Appropriation .....		\$9,210.00		
	1961 Budget Request .....		4,460.00		
	Difference .....		\$4,750.00—		

## Breakdown of total request of \$4,460.00:

The difference in the reduction of salary from the 1960 appropriation and the 1961 budget request is due to the fact that the Maintenance Supervisor's position was abolished and the work is being done by the Director of Special Services. The annual salary rate of the Maintenance Craftsman for the school year 1961-62 will be \$4,500.00 (Column A5), but it will be \$4,460.00 (Column A6) for the calendar year 1961.

Note: Column A5 will be B5 and also A2 next year, and it will affect the 1962 budget; however, this figure will be different if there are staff and salary changes between now and the school year 1961-62.

<b>MAINTENANCE:</b>	<b>Section A</b>	<b>1960 Appropriation</b>	<b>1961 Budget Request</b>
<b>Repairs, Replacement, and Upkeep of Educational Equipment:</b>			
Elementary Schools .....		\$ 300.00	\$ 450.00
Junior High School .....		3,325.00	2,515.00
High School .....		2,174.00	2,692.50
Art Department .....		78.55	107.26
Music Department .....		820.00	910.00
Physical Education Department .....		202.00	495.00
Visual Education .....		1,072.00	890.00
Totals .....		<u>\$7,971.55</u>	<u>\$8,059.76</u>
1961 Budget Request .....		\$8,059.76	
1960 Appropriation .....		<u>7,971.55</u>	

Difference ..... \$ 88.21 more

Additional equipment is necessary because of the increased enrollment. Increased enrollment necessitates increase in the use of equipment thereby causing higher replacement and maintenance costs.

#### **Section B**

##### **Repairs, Replacements and Upkeep of Physical Plant:**

<b>Elementary Schools</b> .....		\$ 3,770.00
(a) Black top parking area at rear of building — North .....	\$ 500.00	
(b) New fluorescent light fixtures in gym area — South .....	600.00	
(c) New fluorescent light fixtures in gym area — East .....	470.00	
(d) Paint exterior one coat—Emerson .....	500.00	
(e) Paint exterior two coats — Robin Hood .....	1,200.00	
(f) Shades — All elementary schools .....	200.00	
(g) Combustion chambers — All ele- mentary schools .....	300.00	
<b>Junior High School</b> .....		7,500.00
(a) Shades (including blackout for room 209) .....	\$ 300.00	
(b) Asphalt floors (including second floor corridor) .....	2,000.00	
(c) Acoustical ceilings .....	2,500.00	
(d) Paint stairhalls .....	500.00	
(e) New metal windows in fire escape (No. "e" is a fire department request)	750.00	
(f) Water coolers (2) .....	350.00	
(g) Boiler combustion chambers .....	100.00	

	1960 Appropriation	1961 Budget Request
(h) Painting and repair of auditorium	1,000.00	
<b>High School</b> .....		3,900.00
(a) Paint ten classrooms .....	\$2,200.00	
(b) Repair of boiler combustion chambers .....	100.00	
(c) New fan installation in chemistry laboratory .....	1,000.00	
(d) New shelves and door for storage of athletic equipment .....	400.00	
(e) A jumping pit for the track team	200.00	
<b>All Schools</b> .....		9,100.00
(a) Maintenance of truck and mower	\$ 300.00	
(b) Plumbing and electrical calcu- lated emergency .....	1,300.00	
(c) Heating systems calculated emer- gency .....	2,000.00	
(d) Maintenance of all schools and repairs to equipment and build- ings calculated emergency .....	3,500.00	
(e) Landscaping .....	2,000.00	
<b>Travel Allowance</b> .....		200.00
Total for Section "B" above .....		\$24,470.00
1960 Appropriation .....	\$33,230.00	
1961 Budget Request .....	24,470.00	
Difference .....	\$ 8,760.00 less	

This amount is much less because some of the major repairs which were done last year will not be necessary this year.

#### **AUXILIARY AGENCIES:**

##### **Libraries:**

Elementary Schools .....	\$ 700.00	\$ 775.00
Junior High School .....	500.00	1,000.00
High School .....	1,500.00	1,625.00
Totals .....	\$2,700.00	\$3,400.00
1961 Budget Request .....	\$3,400.00	
1960 Appropriation .....	2,700.00	
Difference .....	\$ 700.00 more

## FAITH OF OUR FATHERS

### 1

Faith of our fathers, living still,  
In spite of dungeon, fire and sword,  
O how our hearts beat high with joy  
Whene'er we hear that glorious word.

### 2

Faith of our fathers, we will strive  
To win all nations unto thee;  
And through the truth that comes from God  
Mankind shall then indeed be free.

### 3

Faith of our fathers, we will love  
Both friend and foe in all our strife,  
And preach thee, too, as love knows how  
By kindly words and virtuous life.

### Refrain

Faith of our fathers, holy faith  
We will be true to thee till death.

Prayer

## REPORT OF THE PERSONNEL BOARD

To the Honorable Board of Selectmen:

The 5th Annual Report is herewith presented.

Every year it is the duty of the Personnel Board, under Section 6 of the By-laws, to review all Salary and Wage rates and Classifications and to recommend to the Town any action which it deems necessary to maintain a fair and equitable plan. Under the rules of procedure set up by the Board, letters were written about the first of September to all department heads to invite them to appear before the Board to discuss any contemplated changes or adjustments in the Wage and Salary Plan.

In May, 1960 a new member, Mr. Joseph MacSweeney replaced Mr. David Ciciarella, who was filling the unexpired term of Mr. Harrison Hyer, whose term of office expired May 1, 1960.

At the election of officers for the year held the first meeting in May, Mr. Frank R. Noyes was elected Chairman and Mr. James E. Lowthers, Secretary.

On December 1st, Mrs. Eleanor Cornwell took over the duties of clerk, replacing Mrs. Jeanne Clifford who had been with the Board since May of 1956. In appreciation of Mrs. Clifford's service with the Board, a dinner party was held at Nordberg's Restaurant on Jan. 10, 1961 in her honor. Many of the past members of the Board who had worked with her attended and expressed their thanks for her cooperation and help during their term of office.

The election for the Town employee representative to the Board was held Sept. 8th. Mr. Arthur Sweet was elected by the Town employees to fill the unexpired term of Mr. Nicholas Messina, who resigned in August.

The Board has held weekly meetings since September, at the request of Department heads, to discuss salary schedules, changes of classification and/or any adjustments to be considered for the 1961 Warrant.

Respectfully submitted,

Arthur Sweet, '61  
Frank R. Noyes, '62  
Edith M. Cook, '63  
James E. Lowthers, '64  
Joseph MacSweeney, '65

## REPORT OF TOWN MEETING MODERATOR

January 7, 1961

Honorable Winthrop A. McCarthy  
Town Clerk of Stoneham  
Stoneham 80, Massachusetts

Dear Mr. McCarthy:

As Moderator of the Town of Stoneham, I herewith make my annual report:

In addition to presiding over the Annual Town Meeting which, in 1960, consisted of three evening sessions, the Moderator represented the Town at meetings of the Massachusetts Moderators Association, appeared before committees of the General Court conducting hearings on proposed legislation affecting the conduct of town meetings and made various committee appointments.

Committees appointed by the Moderator as provided in the Town By-laws were as follows:

1. Committee for Appointment of Finance & Advisory Board Members  
Edwin H. Lombard  
Furio Bracciotti  
David B. Richardson
2. Town Organ Committee  
Mildred W. Hay  
Weston L. Brannen  
Alma F. Patch

### Committees Appointed by Authority of the Annual Town Meeting

1. Police Vehicle Purchase Committee  
Captain Bernard C. Vacon  
Thomas F. Elliott  
Donald A. Lawson
2. Committee for Recreation Park Survey:  
Karl P. Elerin  
Frank J. Burns  
Howard W. Seabury  
Nicholas E. Apalakias  
Robert L. Murphy  
George C. Marshall  
Joseph F. Gallella
3. Committee for Town Dump Study:  
Paul C. Brown  
Peter Vacca  
Francis P. Hamill

4. Committee for Purchase of Department of Public Works Vehicle:

John E. Finnegan  
Mrs. Frederick K. Carsley  
George J. McHale

5. Committee for Compilation of Town By-Laws:

Winthrop A. McCarthy  
Frederick Mosley  
Bernard H. Corbett  
Daniel C. Towse  
Capt. Bernard C. Vacon  
Thomas M. Leahy, Esq.  
Orvis H. Saxby, Esq.

6. Committee for Town History Study:

Mrs. Stanley Kinsley  
Mrs. Francis P. Hamill  
Mrs. Barbara Hovey  
Dr. William S. Coy  
Grank J. Gallagher

To fill vacancies existing on the School Survey Committee, the Moderator appointed the following:

Thomas J. D. Horne  
Horace M. Chase

I wish to take this opportunity to express my sincere appreciation to those citizens who have accepted appointment to the above committees and have rendered valuable service to the Town. I wish, also, to publicly commend Town Clerk Winthrop A. McCarthy for his very able and conscientious assistance to the Moderator at the annual Town Meeting.

Respectfully submitted,  
ROBERT D. CALLAHAN, Moderator

## REPORT OF THE FIRE DEPARTMENT

To the Honorable Board of Selectmen:

Gentlemen:

The following report of the Fire Department for the year 1960 is respectfully submitted.

The personnel of the Fire Department consists of, one (1) Chief: three (3) Captains: three (3) Lieutenants; twenty-one (21) Privates: one (1) Mechanic: and two (2) Call Firefighters.

The department answered 578 alarms in the past year, of which 97 were bell alarms (27 of which were False) 14 mutual aid calls: 481 still alarms including 32 inhalator cases.

There were used at fires during the year 5300 feet of 2½ inch hose, 4850 feet of 1½ inch hose, 34,325 feet of booster hose, 1683 feet of ladders, 165 lbs. of Co2, one ansul extinguisher, 34 water extinguishers and 3300 cubic feet of Oxygen.

The amount of property endangered by fire was .....	\$318,600.00
The amount of property lost by fire was .....	27,234.68
The amount of insurance paid was .....	24,434.68
The net loss for the year was .....	2,800.00

During the year there were 47 complaints received which were investigated by the department, some of these with the cooperation of the State Fire Marshall's office and our local Building and Wire Inspector.

During the year 465 hours were spent on Fire Prevention work, which included the following.

In Stores and Industrial, 581 inspections were made, and 704 hazardous conditions and violations of the law were noted, and the owners and tenants, ordered to correct these conditions, also 34 recommendations were made in the interest of Public Safety.

Nursing homes & Hospitals .....	40 inspections
Schools .....	22 inspections
Churches .....	11 inspections
Oil burners .....	129 inspections
L.P. Gas .....	6 inspections
Blasting permits issued .....	37

Fire Drills were conducted by the Department, in all public and private schools three (3) times during the year.

During the past year the members of the department have drilled with the equipment at various times throughout the year to remain thoroughly familiar with the equipment and the use of it.

The motor equipment consists of two (2) 750 gallon Seagrave pumping engines with auxiliary pumps capable of delivering up to a thousand pound pressure for use as a fog. pump. a 750 gallon Seagrave pumping engine, a 100 gallon Seagrave pumping engine, a 200 gallon pumping engine, equipped with a 200 gallon booster tank, two 300 foot booster reels and 1500 feet of 1½ inch hose, a 65 foot Seagrave Junior Aerial ladder truck, a Chrysler Chief's Car and an aerial equipped Ford service truck for Fire Alarm use.

I wish to call to your attention at this time that Engine 4, a 200 gallon pumping engine purchased in 1945, should be replaced in 1961.

The fire alarm system is in good condition and I recommend that the aerial wire running from Union Street to Elm Street be installed in an underground conduit, in 1962.

I wish to express my thanks and appreciation to Mr. Donald J. Morrison, Supervisor of the Fire Department, and to the Board

of Selectmen, for the cooperation shown by the Board in dealing with the problems of the Department.

In concluding this report, I wish to express my thanks and appreciation to the Police Department, the Building and Wire inspector, Bernard H. Corbett, and all other Town officials, department heads and the officers and members of the Fire Department and the citizens of the Town for their cooperation and assistance during the past year.

Respectfully submitted  
**WILLIAM E. CROSBY**  
 Chief of the Fire Department

### REPORT OF THE SELECTMEN

To the Citizens of Stoneham:

The Board of Selectmen, Fred A. Schneider, Donald J. Morrison, William W. Mackay, Stanley D. Wood and Daniel L. Hurley, was elected for a term of one year on March 7, 1960. On Tuesday, March 8, 1960, after being sworn by the Town Clerk, the Board met and organized as follows: Mr. Schneider, chairman; Mr. Wood, secretary; Mr. Hurley, disburser of veterans benefits.

Winthrop A. McCarthy was re-appointed clerk of the Board for a term of one year, and Audrey C. Rice was re-appointed secretary to the Board. Henry W. Bickum was re-appointed to the Board of Registrars of Voters for a term of three years. Edwin H. Lombard was appointed to the Board of Registrars for a term of two years to replace Donald F. Glynn who resigned.

William S. Coy, Jr., was appointed to the Board of Appeal for a term of three years and Anthony R. Ciampa, Jr., was appointed for a term expiring May 1, 1961, to replace Henry D. Lavery, who resigned. James F. Rowean and Paul R. Campbell were named associate members for a term of one year.

Other appointments by the Selectmen for a term of one year each were as follows: Kenneth A. Currie, Esq., town counsel; Thomas O. Daly, Dog Officer; Murat A. Kennett, D.V.M., animal inspector; Norman A. LeBlanc, town weigher; Captain Bernard C. Vacon, lockup keeper; Wallace C. Dunbar, inspector of veterans graves; William L. Curran, director of veterans services, agent for the disburser of veterans benefits and burial agent; J. Alger-non Forbes, sealer of weights and measures.

On February 20, 1960, Sergeant Robert H. Bradley was retired after serving the Town of Stoneham as a member of the Police Department for thirty years.

On Sept. 30, 1960, Lieutenant James J. McDermott was retired after serving the Town of Stoneham as a member of the Fire Department and the Public Works Department for thirty-seven years.

On December 27, 1960, Selectman William W. Mackay died. Selectman Mackay was a Selectman for approximately four years and the passing was mourned by members of the Board and the community. The following resolution was adopted:

WHEREAS William W. Mackay served faithfully and dutifully as a member of the Board of Selectmen of Stoneham from March 4, 1957 to December 27, 1960, and

WHEREAS as a Selectman his service to the Town of Stoneham was characterized by zeal and integrity and a willingness to undertake any matter of public or civic concern, and

WHEREAS the Town of Stoneham has lost a devoted public servant by his passing, therefore

BE IT RESOLVED that the Board of Selectmen of Stoneham expresses its full and official recognition in appreciation of the countless contributions made by him, not only as a member of the Board of Selectmen but also as an exemplary citizen of our community, and

BE IT FURTHER RESOLVED that a copy of this resolution be spread upon the official records of the Board of Selectmen, and a copy be presented to Mrs. Mackay.

Given unto our hands this third day of January in the year one thousand nine hundred and sixty one, A.D.

Fred A. Schneider, Donald J. Morrison, Stanley D. Wood, Daniel L. Hurley, Selectmen of Stoneham.

At the biennial state election held on November 8, 1960 Section C of Question 1 "Shall licenses be granted in this town for the sale therein of all alcoholic beverages in packages, so called, not to be drunk on the premises?" received the following vote: Yes, 4311; No, 4141. In accordance with that vote, and after determining that four package goods store licenses could be granted in Stoneham, two licenses were granted in December, 1960 as follows: William H. Jones and Ralph A. Williams at 7 Maple Street, and James A. McDonough Company, Inc., at 5 Central Square.

In conclusion the Selectmen take this opportunity to express thanks to all town officers, boards and committees for their assistance and cooperation in the administration of town affairs during the past year.

Respectfully yours,

FRED A. SCHNEIDER  
DONALD J. MORRISON  
STANLEY D. WOOD  
DANIEL L. HURLEY

Selectmen of Stoneham

## ANNUAL REPORT OF THE STONEHAM HOUSING AUTHORITY

Honorable Board of Selectmen  
Stoneham, Massachusetts

In compliance with the General Laws of the Commonwealth of Massachusetts the Stoneham Housing Authority hereby submits its annual report for the year ending December 31, 1960..

The Authority organized as prescribed by the General Laws of the Commonwealth of Massachusetts and has functioned continually as a body politic and a corporate entity since its creation by unanimous vote of a Town Meeting on March 24, 1948. The Authority is a body entirely separate from the Town of Stoneham and the Commonwealth of Massachusetts.

The annual meeting of the Authority was held as directed by its by-laws on Wednesday, April 13, 1960. The following officers were elected for the ensuing year:

Edward F. McNevin, Chairman  
Donald A. Lawson, Vice Chairman  
William L. Curran, Treasurer  
Bernard C. Vacon, Assistant Treasurer  
Attorney John E. Finnegan, Executive Director and Counsel

At the annual town election in March 1960, Mr. Edward McNevin was elected as member of the Authority for five years.

The Authority owns three separate projects. Two are Veterans Projects and the third is Housing for the Elderly.

The Veterans Projects total 72 units housed in 24 buildings. There are 12 quadruplex houses and 12 duplex houses for Veterans. The Housing for the Elderly consists of 29 units in 3 buildings of row houses.

The first Veterans Project of 48 units was completed and occupied on June 1, 1950. The second Veterans Project of 24 units was completed and occupied on September 1, 1951.

The Housing for the Elderly Project consisting of 29 units was completed and occupied on December 1, 1957. These units, although compact, consist of three rooms and a bathroom. There are 21 single units and 8 double units for two persons. The size of the apartment does not affect the rental charges which are \$43.00 minimum and \$49.00 maximum with hot-cold water and heat provided by the Authority in the Housing for the Elderly.

The Veterans Projects consist of two and three bedroom apartments and the size of the apartment does not affect the rental charge. Average rents at the Veterans Projects are \$46.60 per month including water provided by the Authority.

All tenants are separately metered and pay their own electric charges. All apartments are all-electric.

The Authority provides an electric stove and refrigerator for all tenants. Veterans apartments have individual heating system and oil fuel is provided by each tenant at his own expense.

Since May 1959, with the approval of the State Housing Board, the Authority raised the Admission Limit of Salary to range from \$4500.00 per year for families with one child to \$4900.00 per year for families with one child to \$4900.00 per year with three or more minor dependents. The continued occupancy limits were raised from \$5000.00 with one minor dependent to \$5400.00 with three or more minor dependents. This was necessary due to inflationary economic conditions.

On January 1, 1960, upon the recommendation of the State Housing Board, Project 200-1 and Project 200-2 were combined into one Project 200-C for administrative and fiscal purposes. This has been advantageous for both administrative and fiscal purposes. and will be continued.

The Projects are inspected, inside and outside, twice annually by the Authority.

The members of the Authority and the Executive Director wishes to thank the tenants and the various departments and officials of the Town of Stoneham for their cooperation and help extended to us in 1960 as well as heretofore.

The Stoneham Projects are considered by the State Housing Board as among the finest in the Commonwealth both as to administration and as to fiscal matters.

Respectfully submitted,

EDWARD F. McNEVIN, Chairman

# REPORT OF TOWN ACCOUNTANT

February 24, 1961

Honorable Board of Selectmen  
Stoneham, Massachusetts

Gentlemen:

Herewith is presented the Report of the Town Accountant for the calendar year 1960 as set forth in the following schedules:

Balance sheet showing the financial condition of the Town of Stoneham on December 31, 1960.

Receipts and expenditures summarized for the calendar year 1960.

Schedule of appropriations, other credits, expenditures and unexpended appropriation balances.

Analysis of Available Water Surplus, Sale of Lots and Graves Fund, Sale of Real Estate Fund, Reserve Fund transfers and Excess and Deficiency Account.

Schedule of Debt showing payments due each year, and including the borrowing capacity of the Town of Stoneham on January 1, 1961.

Balance sheet of Deferred Revenue Accounts.

Analysis of Trust Fund accounts and Stabilization Fund, including balance sheet as of December 31, 1960.

In conclusion may I take this opportunity to thank all department heads and officers for the assistance and cooperation rendered during the past year.

Respectfully submitted

WINTHROP A. MCCARTHY  
Town Accountant

## TOWN OF STONEHAM

Nicholas Chicklas, D.M.D., Board of Health Dentist  
Edward F. Breagy, D.M.D., Honorary Member of the  
Board of Health and Advisor to Dental Hygienist  
Mildred C. Tufts, Clerk to Board of Health Nurse

At the Annual Town Meeting in 1960, this board had an article in the warrant, seeking permission to make appointments from its own membership to certain positions. You were kind enough again to vote your approval and as a result the work of the board has progressed smoothly through the year.

Meetings have been held with the Board of Selectmen and other boards regarding matters of mutual concern.

The entire town had one complete spray and two partial sprays for lowlands and swampy sections for insects and other pests last summer. This program was successful and we intend to proceed again this year, possibly with an extra spraying.

We are also planning to carry on with our rat control program which has proven to be very successful.

We feel that Mr. Berg, our garbage contractor, has done an excellent job this year, considering the heavy storms and severe cold weather we have had. We wish to bring this notice to your attention at this time. Garbage containers must be in accessible locations at all times to insure good collections, particularly during the winter months. Paths must be shoveled from the street to the container and containers kept free of liquid to insure against its freezing. We would appreciate your cooperation.

The Board of Health is now in the process of bringing its regulations up to date and they should be ready for print by March 1, 1961.

We trust you will read the following reports for further details concerning the work of your Board of Health .

In closing, we wish to thank our personnel for their fine cooperation and faithful service to their Town.

Respectfully submitted,

FREDERICK F. MOSLEY, Chairman  
JOHN QUIMBY, Secretary  
HAROLD C. HURD

Stoneham Board of Health

## COMMUNICABLE DISEASE REPORT

The following cases have been reported to us:

	1956	1957	1958	1959	1960
Chicken Pox .....	57	134	52	52	225
Diphtheria .....	0	0	0	0	0
Dog Bites .....	87	65	93	104	79
German Measles .....	31	3	122	13	23
Infectious Hepatitis .....	0	0	0	0	1
Malaria .....	0	0	0	0	0
Measles .....	15	15	361	69	84
Meningitis .....	0	0	1	0	0
Mumps .....	13	145	99	9	71
Polio .....	0	0	0	0	0
Salmonellosis .....	0	0	0	4	6
Scarlet Fever .....	36	23	3	8	14
Tuberculosis .....	4	0	4	7	1
Whooping Cough .....	14	4	4	0	7

We urge that all cases of Communicable Diseases be reported to the Board of Health Office, either by some member of the patient's family, the family physician or the School Department. This is a State Regulation that should be carried out.

Two clinics were conducted in May for the inoculation of dogs against rabies, when 345 dogs were vaccinated by M. A. Kennett, D.V.M., of the Stoneham Animal Hospital.

The following licenses were issued during the year:

Milk:	
Wholesale .....	25
Retail .....	43
Pasteurization .....	2
Oleomargarine .....	16
Ice Cream	
Permits to sell .....	40
Licenses to manufacture .....	3
Cesspools and Septic Tanks .....	16
Bottling Carbonated Beverages .....	1
Methyl Alcohol .....	25
Kindergartens and Nursery Schools ....	8
Motel .....	1
Girl Scout Cabins .....	3
Funeral Directors .....	7

Total cash turned in to Town Treasurer on the above permits and the Dog Clinics—\$427.25. The sum of \$657.27 was also turned in to Town Treasurer, fees for immunizing children for Tetanus, Whooping Cough, Diphtheria and Polio.

221 Burial Permits were issued to Stoneham and out-of-town Funeral Directors, upon presentation of properly completed death certificates.

Approximately 5,100 biological items were issued by our office to Stoneham physicians and the New England Sanitarium and Hospital.

Respectfully submitted,  
GERTRUDE B. MORTENSEN, Clerk-Agent

### REPORT OF HEALTH INSPECTOR

The following inspections for cleanliness and sanitary conditions were made during 1960:

Restaurants .....	159
Drug Stores .....	71
Ice Cream Manufacturers .....	20
Bakeries .....	42
Groceries and Variety Stores .....	198
Bottling Concerns .....	4
Candy Manufacturers .....	8
Home for Aged People .....	8
Hospital .....	2
Nursing Homes .....	16
Girl Scout Camps .....	6
Motels .....	3
Swimming Pool .....	8
Kindergartens and Nursery Schools .....	18
Gas Stations for Alcohol Licenses and toilet Cleanliness .....	110
Installations of Cesspools and Septic Tanks ..	18
Milk Plants .....	10
Installation of Dry Wells .....	16

I also have investigated 429 complaints consisting of cesspools and septic tanks overflowing, keeping of rabbits, horses, chickens and roosters in restricted areas; odors from factories, brooks, drains, oils, etc., smoke and soot nuisances from factories and burning of trash, garbage and other articles; rat menaces; unsanitary conditions in public places and homes; garbage complaints; and dog bites, plus many other calls of health importance.

I have also worked with men from Airborne Sprayers on Mosquito Control and with men from Safety Fumigant on rat control.

In concluding this report, I wish to express my thanks and appreciation to the Health Department personnel and to the other town departments, state officials and the citizens of the town for their fine cooperation during the past year.

Respectfully submitted,

HAROLD C. HURD

## REPORT OF DENTAL HYGIENIST

The following report is submitted for the year ending in December 1960:

Total number of examinations .....	1434
Total number under treatment .....	1212
Total number without defects .....	639
Total number of defects .....	796
Total number of notices sent home .....	222
Total number of children examined at St. Patrick's School ....	303
Total number taken to Forsyth for cleanings .....	666
Total number taken to Forsyth for orthodontia .....	3
Total number of cleanings done in Dental Clinic .....	219
Total number of appointments accomplished by Dr. Chicklas	432

Dr. Chicklas' work consisted of the following:

Number of amalgam fillings .....	344
Number of cement fillings .....	105
Number of novocain injections .....	80
Number of porcelain fillings .....	51
Number of extractions .....	34
Number of zinc oxide treatments .....	33
Number of silver nitrate applications .....	4

The Dental Hygienist participates in carrying out the following functions:

1. Examination of each school child from Grade 1 through 6 and the Special Classes.
2. Charting each mouth, noting all fillings, cavities and defects.
3. Filing all charts in Dental Clinic.
4. Acquainting each child with their own particular dental needs such as daily dental care and regular dental visits.
5. Notifying parents when excessive cavities are present.
6. Conferring with parents in the home relative to dental care or work.
7. Interpreting to parents, teachers and pupils findings of dental examinations and assisting in arranging for correction when possible.
8. Taking children to Forsyth Dental Infirmary for oral prophylactic treatments.
9. Giving oral prophylactic treatments in the Dental Clinic when requested.
10. Helping to promote good health, appearance and acceptability through regular dental visits.
11. Keeping accurate record of daily work, financial transactions and appointments.
12. Assisting the dentist in the Dental Clinic at the chair and transporting the children to and from the Dental Clinic.
13. Acquainting the parents of pre-school children at the orientation meetings regarding the dental program.

Respectfully submitted,  
PHYLLIS D. LOVERING, Dental Hygienist

## REPORT OF BOARD OF HEALTH NURSE

1960 brought its usual amount of Communicable Diseases:

<i>Rising Incidence</i>	<i>Average</i>	<i>All Time Low</i>
Infectious Hepatitis	Flu	Whooping Cough
Measles	Chicken Pox	Typhoid Fever
Mumps	Diphtheria	
Scarlet Fever	German Measles	
	Dysentery	

Only 36 cases of Polio in Massachusetts in 1960.

We had an all time low of patients hospitalized for tuberculosis this past year. All recovered sufficiently so that we did not have anyone in the Sanatorium during November and December.

The Mantoux testing (Tuberculin Screening Test) was held in February on all first and eleventh grade pupils throughout the town. The following doctors participated in this program: Henry Leavitt, A. Tauro, Thomas Devlin, John Anderson, Barbara Meister and I. Devins. Some six hundred or more students were tested, thanks to the full cooperation of the Superintendent of Schools and the two school nurses.

We of the Board of Health are very pleased with the increased attendance at the Spring and Fall Immunization Clinics. Over 500 were inoculated this year. There are still many pre-school children who have never started or completed their polio or regular "baby shots." Everyone is welcome to come to these clinics.

There was the usual amount of Boy Scout testing for Health Badges, records, statistical reports for the Department of Public Health; leaflets and information given to our local and college students.

Attended Simmons College for a week in June again this year. This was the third year in a five year study on Mental Health under the auspices of the State Department of Public Health with 48 nurses from all Massachusetts communities participating.

The nurse's duties are extended to St. Patrick's School. There are twenty classes — 900 children.

According to State regulations each child is tested for:

Visual and Hearing defects

Weighed and measured

Dental examinations by Mrs. P. Lovering, D.H.; Dr. E. Breagy, Dr. R. Bresnahan, Dr. G. Guarnaccia.

Physicals in Grades 1-3-5 and 8 (500) and new pupils by Dr. H. Leavitt.

Speech Correction to 16 students by Mrs. K. Crannell, S.C.

Regular conferences with teachers, parents, pupils, doctors, and clinics form part of Board of Health and school work each day.

Some 3,000 children received their third and fourth polio shots before the summer vacation this year.

None of the clinics could ever be extended to the community without the generous volunteer help of Mrs. Dorcas Berry, R.N.,

Mrs. Frances Houghton, and Mrs. Rita Kenny in conjunction with the wonderful spirit and cooperation of the regular help of Mrs. Gertrude B. Mortensen and Mrs. Mildred Tufts.

We of the Board are always interested in improving and expanding our program to meet the community needs. We are currently working on improvement of records, reporting of diseases and all phases of good Mental Health.

Respectfully submitted,

KATHERINE L. KENNY, R.N.

Board of Health Nurse

## REPORT OF THE PLANNING BOARD

To the Citizens of Stoneham:

At an organizational meeting held on March 30, 1960, the Planning Board consisting of Millard Taylor, Louis Vacca, Daniel Towse, Paul Brown and Thomas Leahy, elected Thomas Leahy, Chairman and Paul Brown, Secretary of said Board.

During the calendar year 1960 the Board held thirty regular meetings at which thirty-eight plans were endorsed by the body as being within that category for which no approval is required under the provisions of the Sub-division Control Law, while within the same period four tracts of land which did require approval under the Sub-division Control Law were so approved.

The Planning Board held four public hearings, three of which were on sub-divisions, while the fourth was held as required by law regarding the proposed zoning articles which were voted on at the Town Meeting for 1960. The Board is pleased to report that its recommendations regarding these articles were upheld by the citizens at the Town Meeting, and in particular the rezoning of the portion known as Fallon's Farm, which action the Board believes will show results tax-wise in the very near future.

The Board also within this period entered into a contract with the Commonwealth of Massachusetts, whereby the Commonwealth, in consideration of the Town of Stoneham paying \$4225. (constituting one-half the entire cost), has engaged the firm of Candeub and Flessig Associates to update the Master Plan and compile all information pertinent thereto for future planning. This endeavor has progressed rapidly and with so much success that the Board anticipates completion by July 1961, while in the meantime receiving and distributing to the townspeople reports of progress from the consultants.

One distasteful task which the Board had to perform was the recision of a sub-division, but the Board was unanimously of the opinion that such action was in the best interests of the town and its future.

The aforementioned actions are those which can be set out as statistics, but many hours are spent on preliminary discussions which very often do not reach the definitive stage. However, the Board welcomes any decision as to the planning for the future and invites any of the town's citizens to attend the meetings of the Board.

Many thanks to Mrs. Gertrude Mortensen for her efficient and loyal work throughout the year as office clerk, and to Mrs. Frances D'Entremont for her patience and endeavors as Recording secretary to the Board.

The Board also wishes to extend its appreciation to the various town officials, the Board of Public Works, and the many townspeople who appeared at its meetings, for the fine cooperation displayed by all.

Respectfully submitted,

THOMAS M. LEAHY, Chairman

PAUL C. BROWN, Secretary

MILLARD D. TAYLOR

LOUIS P. VACCA

DANIEL C. TOWSE

Stoneham Planning Board

# Warrant for Annual Town Meeting of 1961

To either of the Constables of the Town of Stoneham, in the  
County of Middlesex, GREETING:

In the name of the Commonwealth of Massachusetts you are

Head Librarian .....	5,600.	5,900.	6,200.	2 @ 300.
Town Accountant .....	4,360.	4,660.	4,960.	2 @ 300.
Administration Clerk .....	4,200.	4,500.	4,800.*	2 @ 300.
Public Health Nurse .....	4,060.	4,300.	4,540.	2 @ 240.

Personnel Board

ARTICLE 9. To see if the Town will vote to amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan," by adding Sections 13 and 14 as follows:

1. Vacation leave shall be granted to all permanently full-time employed personnel subject to the Wage and Classification Plan. A person shall be considered permanently employed if he has worked full-time for the Town for thirty consecutive weeks during

the preceding year. The term "Year" with regard to vacations means the year beginning with January 1st and ending the following December 31st. Regular part-time employees, working 20 hours or more each week, for 30 consecutive weeks or more in the preceding year, shall have vacation periods on a proportionate basis.

2. Department heads shall allow vacations with pay to employees who have met the requirements set forth above, as follows:

Years of Service	Vacation Leave
From 30 weeks to 5 years	2 weeks with pay
From 5 years to 15 years	3 weeks with pay
15 years and over	4 weeks with pay

The schedule of vacation periods within the vacation year shall be arranged by the department head for such time or times as best serve the public interest and such time shall be noted on the payroll warrant. Vacation leave shall not accumulate from year to year. Compensation in lieu of time off shall not be granted. Temporary and seasonal employees shall not be granted vacation.

3. In the case of nurses and Library staff, the Personnel Board may establish a vacation program in accordance with the general custom of such professional groups. Details of vacation practices for the several departments shall be worked out under the direction of the Personnel Board.

Section 14: Holidays

1. Regular full-time employees shall be paid for each of the following holidays which fall on or are observed on a regularly scheduled work day: New Year's Day, Washington's Birthday, Patriot's Day, Memorial Day, Bunker Hill Day, Independence Day, Labor Day, Columbus Day, Veterans' Day, Thanksgiving Day, Christmas Day.

2. If a holiday falls within the vacation period, it shall be compensated for with either a day's pay or an extra day off, to be determined by the department head. For the purpose of this section, holidays which fall on or are celebrated on Saturday, or any other day not regularly worked, shall not count as a paid holiday.

Permanent full-time employees of the Police and Fire Department, other than the Chief of Fire and Captain of Police, required to work on any of the above specified holidays shall be paid on the basis of straight time in addition to the regular pay for that day.

Personnel Board

ARTICLE 10. To see if the Town will vote to amend Article XI of the By-laws of the Town of Stoneham, entitled "Wage, Salary and Classification Plan," by striking out in its entirety Section 10 and inserting in its place the following: "Section 10. Physical Examination. Every applicant for employment by the Town subject to this plan shall undergo a physical examination. The exam-

ining physician shall be appointed by the Board of Selectmen and shall render to the Personnel Board a sealed report of the physical condition of the applicant stating whether or not he is physically qualified for the position sought. No applicant shall be employed until approved by the Personnel Board, who shall have discretion to accept or reject any applicant, insofar as physical qualification is concerned, decision to be based on the doctor's recommendation. After receipt of the report has been entered on the Personnel Board's records such report shall be deposited with the Personnel Board for safekeeping, the contents subject to future review only by the Personnel Board or a physician designated by the Selectmen, or by a physician designated by the applicant, otherwise the report shall remain confidential."

Personnel Board

ARTICLE 11. To see if the Town will vote to fix salaries of the several elective officers and boards of the Town for the current year.

Town Accountant

ARTICLE 12. To see if the Town will vote to raise and appropriate or transfer from available funds such sums as may be necessary to defray Town charges for the ensuing year.

Town Accountant

ARTICLE 13. To see if the Town will vote to instruct the Board of Assessors to use the sum of \$217,000.00 for the reduction of the 1961 tax rate.

Board of Selectmen

ARTICLE 14. To see if the Town will authorize the Town Treasurer, with the approval of the Selectmen, to borrow money, from time to time, in anticipation of the revenue of the financial year beginning January 1, 1961, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with provisions of Section 17, Chapter 44 of the General Laws.

Board of Selectmen

ARTICLE 15. To see if the Town will authorize the Town Treasurer, with the approval of the Selectmen, to borrow money, from time to time, in anticipation of the revenue of the financial year beginning January 1, 1962, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with provisions of Section 17, Chapter 44 of the General Laws.

Board of Selectmen

ARTICLE 16. To see if the Town will vote to authorize the Board of Health to make appointments from its own membership to the positions of Health Officer and Milk Inspector, raise and appropriate money for salaries of said officers, or do anything in relation thereto.

Board of Health

ARTICLE 17. To see if the Town will vote to raise and appropriate a sum of money to pay the rent of quarters or lease

quarters for use of Leon E. Warren Camp, United Spanish War Veterans; Stoneham Post No. 115, American Legion; Sgt. George J. Hall Post No. 620, Veterans of Foreign Wars; Stoneham Chapter 107, Disabled American Veterans; World War I Veterans, Barracks 395, determine in what manner the said appropriations shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto. Board of Selectmen

ARTICLE 18. To see if the Town will vote to amend the Zoning By-law by enlarging the General Business District to include the area bounded as follows: Beginning at the westerly limits of the present General Business District on Montvale Avenue, thence westerly by Montvale Avenue to Route 93; thence southerly in a curved line by said Route 93 to Maple Street; thence southeasterly by Maple Street to the present northerly limits of the Industrial District; thence easterly by the present northerly limits of the Industrial District to the westerly limits of the said present General Business District; thence northerly by the said westerly limits of the present General Business District to the point of beginning, or do anything in relation thereto.

Martin Olson

by Orvis H. Saxby, Atty.

ARTICLE 19. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the General Business District as heretofore defined and set forth, so as to include in the General Business District the following described area, to wit: Beginning at a point on the Lynn Fells Parkway and the southwesterly corner of a private way known as Walker Road; thence the line runs southerly by said Lynn Fells Parkway by a curved line 260 feet to a point at the northerly boundary of the present Retail Business District; thence turning and running southeasterly 430 feet to a point on Walker Road; thence turning and running generally northerly on said Walker Road 210 feet to a point; thence the line turns and runs northwesterly by said Walker Road 20 feet, more or less, to a point; thence turning and running northerly by said Walker Road 25 feet, more or less, to a point; thence turning and running northwesterly by a curved line by said Walker Road 230 feet, more or less, to the point of beginning.

Frank M. Geremonte

ARTICLE 20. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the Retail Business District as heretofore defined and set forth, so as to include in the Retail Business District the following described area, to wit: Beginning at a point on the Lynn Fells Parkway and the southwesterly corner of a private way known as Walker Road; thence the line runs southerly by said Lynn Fells Parkway by a curved line 260 feet to a point at the northerly boundary of the present Retail Business District; thence turning and running southeasterly 430 feet to a point on Walker Road; thence turning and running

generally northerly on said Walker Road 210 feet to a point; thence the line turns and runs northwesterly by said Walker Road 20 feet, more or less, to a point; thence turning and running northerly by said Walker Road 25 feet, more or less, to a point; thence turning and running northwesterly by a curved line by said Walker Road 230 feet, more or less, to the point of beginning.

Frank M. Geremonte

ARTICLE 21. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the Retail Business District as heretofore defined and set forth, so as to include in the Retail Business District the following described area, to wit: "Beginning at a point at the southwesterly corner of the intersection of Main and North Streets at land of Mario A. Bianchi et als; thence the line runs southwesterly by the southerly boundary of North Street along land of said Mario A. Bianchi et als, 159.53 feet more or less to other land now or formerly of said Bianchi; thence turning and running southeasterly by land of said Bianchi and land now or formerly of Parkins by two (2) lines respectively measuring 73.18 feet more or less and 89.30 feet more or less to a point at the westerly boundary of Main Street; thence turning and running northerly by said westerly boundary of Main Street 167.31 feet more or less to a point; thence turning and running by a curved line generally northwesterly forming the junction of said Main and North Streets, 51.79 feet more or less to the point of beginning."

Frank M. Geremonte

ARTICLE 22. To see if the Town will vote to amend Section 1 of the Zoning By-law by amending the Zoning Map so as to include in the Industrial District so much of the following described parcel as is not already included in the Industrial District: Beginning at a stone bound at the intersection of the southerly line of the location of the Stoneham Branch of the Boston & Maine Railroad with the northeasterly line of Maple Street and running southeasterly and easterly by Maple Street, about seven hundred sixty-five and 12/100 (765.12) feet to a stone bound; thence running N 23° 15' E three hundred twenty-three and 40/100 (323.40) feet; thence N 16° 24' E about three hundred sixty-nine and 86/100 (369.86) feet to a stake in the southerly line of the location of the Stoneham Branch of the Boston & Maine Railroad, thence running westerly by said southerly line about one thousand twenty-seven and 15/100 (1027.15) feet to the point of beginning, or take any other action relative thereto.

Richard B. Johnson, Atty.

ARTICLE 23. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the Retail Business District, as heretofore defined and set forth, so as to include in the Retail Business District the following described area, to wit: a certain parcel of land being situated in Stoneham, Middlesex County, Massachusetts, on the easterly side of Main Street, and being shown as Lot 6 on a plan entitled "Plan of Colonial Court,

Stoneham, Mass., owner William F. D'Annolfo, Dana F. Perkins and Sons, Inc., Civil Engineers and Surveyors, April 4, 1959," duly recorded in Middlesex South District Registry of Deeds in Book 9448 at Page 491 and being further bounded and described as follows: westerly by Main Street 50 feet; northwesterly by a curved line forming the junction of Main Street and Colonial Court, 39.27 feet; northerly by Colonial Court 135 feet; north-easterly, easterly and southeasterly by a curved line by Colonial Court 157.08 feet; southerly by Colonial Court 135 feet; and south-westerly by the junction of Colonial Court and Main Street 39.27 feet, containing 17,159 square feet of land, more or less, according to said plan.

William F. D'Annolfo

ARTICLE 24. To see if the Town will vote to amend the Zoning By-law by adding to the present limits of the Residence "B" District as heretofore defined and set forth, so as to include in the Residence "B" District the following described area, to wit: The land situated in Stoneham, Middlesex County, Massachusetts, and bounded and described as follows: southwesterly by the northeasterly line of West Wyoming Avenue about 431 feet; northwesterly 100 feet and southwesterly 72.91 feet by Lot 1 as shown on a plan hereinafter mentioned; northwesterly again by land now or formerly of Earl R. Brown et al 179.43 feet; northwesterly again by lands of sundry adjoining owners, as shown on said plan, 605.17 feet; northerly by land now or formerly of Elin M. Erikson; easterly by the Town line of Stoneham and Melrose 645 feet, more or less; and southerly and southeasterly by the Middle line of Spot Pond Brook. Said area being all of that portion of Lot 2 which is located in Stoneham as is shown on a plan entitled "Plan of Land in Stoneham and Melrose, Warren M. Mirick, Surveyor, July 15, 1953," said plan being duly filed in the Land Registration Section of Middlesex South District Registry of Deeds in Book 534 at page 142 with Certificate of Title 80892.

William F. D'Annolfo

ARTICLE 25. To see if the Town will vote to raise and appropriate a sum of money to purchase one (1) new automobile for use of the Police Department, authorize the disposal of one (1) automobile now in service, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Captain of Police

ARTICLE 26. To see if the Town will vote to raise and appropriate a sum of money to purchase one (1) new automobile for use of the Police Department, authorize the disposal of one (1) automobile now in service, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Captain of Police

ARTICLE 27. To see if the Town will vote to raise and appropriate a sum of money to purchase a new signal desk for the use of the Police Department, authorize the disposal of a 1928 Gamewell Signal Desk now in service, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Captain of Police

ARTICLE 28. To see if the Town will vote to raise and appropriate a sum of money to purchase and equip one (1) new combination pump and service truck for use of the Fire Department, authorize the disposal of one (1) 1945 Dodge brush fire truck and one (1) 1931 Seagrave pump, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Fire Chief

ARTICLE 29. To see if the Town will vote to raise and appropriate a sum of money to provide a separate two-way radio communication system for the Fire Department in accordance with Federal Communications Commission regulations, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds or otherwise, or do anything in relation thereto.

Fire Chief

ARTICLE 30. To see if the Town will vote to raise and appropriate a sum of money to install a new boiler plant, controls, equipment and necessary accessories for improving the heating system in part of the Junior High School building, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

School Committee

ARTICLE 31. To see if the Town will vote to raise and appropriate a sum of money to provide transportation to and from the East School for pupils living in the Green Street and Summer Street areas, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Selectmen

ARTICLE 32. To see if the Town will vote to authorize the Moderator to appoint a special unpaid committee to be known as a Regional School District Planning Committee to consist of three members, including one member of the School Committee, in accordance with Section 14 of Chapter 71 of the General Laws of Massachusetts.

School Committee

ARTICLE 33. To see if the Town will vote to raise and appropriate a sum of money for the purpose of defraying the cost of constructing water mains or relaying water mains within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available

funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 34. To see if the Town will vote to raise and appropriate a sum of money for the purpose of constructing sanitary sewer mains or relaying sanitary sewer mains within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by transfer from the Stabilization Fund, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 35. To see if the Town will vote to raise and appropriate a sum of money for the purpose of constructing sewers for surface drainage within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works.

ARTICLE 36. To see if the Town will vote to raise and appropriate a sum of money to reconstruct certain existing tar sidewalks within the limits of the Town, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 37. To see if the Town will vote to raise and appropriate a sum of money for the maintenance of highways which have been constructed with State and County aid, under the provisions of Chapter 90 of the General Laws, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 38. To see if the Town will vote to raise and appropriate or transfer from available funds in the Treasury, a sum of money for Chapter 90 Highway construction or take any action in relation thereto.

Board of Public Works

ARTICLE 39. To see if the Town will vote to raise and appropriate a sum of money for labor, materials and other necessary expenses for the control of Dutch Elm Disease in accordance with provisions of Chapter 657, Acts of 1956, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 40. To see if the Town will vote to raise and appropriate a sum of money to purchase shade trees, loam, materials, and for other necessary expense incidental to shade tree planting, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 41. To see if the Town will vote to raise and appropriate a sum of money for the purpose of erecting a chain link fence at the Robin Hood Playground, along sections of Oak Street and Magnolia Terrace, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 42. To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Public Works Department one (1) one and one-half ton dump truck and one (1) two and one-half to three ton dump truck with rack platform body and positive brake winch, authorize the disposal of one (1) 1948 one and one-half ton Chevrolet dump truck and one (1) 1949 two-ton Dodge dump truck with rack body and positive brake winch now in service, authorize the Board of Public Works to make said purchase and disposal, determine in what manner the said appropriations shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 43. To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Public Works Department, one (1) one-half ton, four-wheel drive, pick-up truck and one (1) four to five ton dump truck, authorize the disposal of one (1) 1951 one-half ton Ford pick-up and one (1) 1940 Mack dump truck now in service, authorize the Board of Public Works to make said purchase and disposal, determine in what manner the said appropriations shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 44. To see if the Town will vote to raise and appropriate a sum of money to purchase for use of the Public Works Department, two (2) crawler type sidewalk tractors, complete with snow plows, authorize the disposal of two (2) 1948 Oliver crawler type sidewalk tractors with snow plows, authorize the Board of Public Works to make said purchase and disposal, determine in what manner the said appropriations shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 45. To see if the Town will vote to raise and appropriate a sum of money for the purchase of loam for Recreation Park, said loam to be used on land recently acquired and developed for park purposes, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 46. To see if the Town will vote to raise and appropriate a sum of money for the purpose of paving sections of

Recreation Park used for parking facilities and for the purpose of erecting a chain-link fence around sections of the easterly and southerly boundaries of Recreation Park, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 47. To see if the Town will vote to raise and appropriate a sum of money for the purpose of acquiring by purchase or by lease a certain parcel of land for a Town dump, owned by now or formerly Joseph and Marie C. Mustone on Spring Lane, containing  $7\frac{1}{4}$  acres, more or less, being bounded and described as follows: "Easterly by Spring Lane 216.5 feet, southerly 410.5 feet, southeasterly 98 feet, southerly 431 feet, westerly 110 feet, southerly 259 feet, southwesterly 297 feet, northerly 595 feet, easterly 153 feet and northerly 246 feet to the point of beginning, said land being shown on Plan of land surveyed for E. W. Pierce by C. R. Herrick, C. E., dated November 1912," determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

Board of Public Works

ARTICLE 48. To see if the Town will vote to raise and appropriate a sum of money to defray the cost of constructing a storm drain from the existing manhole near Gilmore Street 280 feet, more or less, to the existing manhole south of Hersam Street, which will replace the existing stone box culvert, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Board of Public Works

ARTICLE 49. To see if the Town will vote to raise and appropriate a sum of money to pipe a portion of the drainage brook off Avalon Road, from the end of the existing pipe on the northerly side of property now or formerly of Edward F. Geary on Avalon Road a distance of 300 feet, more or less, northerly on land of the Town of Stoneham, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Edward F. Geary

ARTICLE 50. To see if the Town will vote to raise and appropriate a sum of money to pipe the drainage brook on the northerly side of Franklin St. through land now or formerly of Lentine and Rotondi for a distance of approximately 100 ft., authorize the Selectmen to obtain easements for the purpose of enabling the Town to enter upon private land where necessary, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Arthur J. Rotondi and 18 others

ARTICLE 51. To see if the Town will vote to raise and appropriate a sum of money to construct a sewer system in the northwesterly section of Stoneham, consisting of a sewerage pumping station with the necessary force main, and two gravity sewer mains installed in position to provide future sewer facilities to the present developed areas, together with other necessary work to complete the system, authorize the Board of Public Works to obtain complete plans and specifications for the said sewer system, authorize the Board of Selectmen to obtain easements for the purpose of enabling the Town to enter upon private land where necessary, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Margaret L. Kirk and 13 others

ARTICLE 52. To see if the Town will vote to raise and appropriate a sum of money for the purpose of improving recreational and athletic facilities at Recreation Park and Pomeworth Street Playground as follows: (1) Install a five-lap cinder and stone dust track at Pomeworth Street Playground; (2) procure 1000 bleacher seats and stands for Recreation Park; (3) erect a park shelter with rest room facilities at Recreation Park; (4) move the hockey rink from its present location to a site adjacent to the proposed park shelter, determine in what manner the said appropriation shall be raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Recreation Commission or Board of Public Works

ARTICLE 53. To see if the Town will vote to accept as public town ways the following ways as laid out by the Planning Board:

- (1) Elaine Road from Hanford Road to Wagner Road
- (2) Hanford Road from North Street to Wagner Road
- (3) Marie Avenue

Residents of Above Streets

ARTICLE 54. To see if the Town will vote to accept as public town ways the following ways as laid out by the Planning Board:

- (1) Northgate Road from North Street to Westwood Road
- (2) Poplar Street from Cedar Avenue to Maple Street

Residents of Above Streets

ARTICLE 55. To see if the Town will vote to raise and appropriate a sum of money to pave any and all of the Public Ways accepted under the foregoing Article 54 of this warrant, under the laws relating to the assessment of betterments, that the Selectmen be authorized to obtain easements for the purpose of enabling the Town to enter upon private land where necessary, to determine in what manner the said appropriation shall be

raised, from taxation, by transfer from available funds, by borrowing or otherwise, or do anything in relation thereto.

Residents of Streets

ARTICLE 56. To see if the Town will vote to accept as a public Town way a portion of Lucy Street a distance of 572 feet, more or less, westerly and northerly from Pond Street as laid out by the Planning Board.

Residents of Lucy Street

ARTICLE 57. To see if the Town will vote to pave a portion of Lucy Street a distance of 572 feet, more or less, westerly and northerly from Pond Street, authorize the Selectmen to obtain easements for the purpose of enabling the Town to enter upon private land where necessary, raise the said appropriation by transfer from the Lucy Street Bond Refund Account, or do anything in relation thereto.

Residents of Lucy Street

ARTICLE 58. To see if the Town will vote to accept as a public Town way Walsh Avenue from Franklin Street northerly to the end, as laid out by the Planning Board.

Residents of Walsh Avenue

ARTICLE 59. To see if the Town will vote to pave Walsh Avenue from Franklin Street northerly to the end, authorize the Selectmen to obtain easements for the purpose of enabling the Town to enter upon private land where necessary, raise the said appropriation by transfer from the Walsh Avenue Bond Refund Account, or do anything in relation thereto.

Residents of Walsh Avenue

ARTICLE 60. To see what action the Town will take for the disposition of all or any part of the unexpended balances of appropriations previously voted for specific purposes as follows:

Recreation Park Field House Study .....	\$300.00
Recreation Park Rink Repairs .....	137.83
Recreation Park Chain Link Fence .....	413.40
Police Department Cruiser .....	138.35
Police Dept. Antenna and Base .....	2.25
Sidewalk Reconstruction .....	115.34
Chapter 90 Maintenance .....	170.16
Park Department Mower .....	23.90
Public Works Dept. Backhoe .....	168.00

Town Accountant

ARTICLE 61. To see if the Town will vote to raise and appropriate a sum of money to be placed in the Stabilization Fund, said fund created and authorized by the vote passed under Article 84 of the warrant for the annual Town Meeting of 1953, in accordance with provisions of Section 5B, Chapter 40 of the General Laws, determine in what manner the said appropriation shall be

raised, from taxation or by transfer from available funds, or do anything in relation thereto.

#### Finance and Advisory Board

ARTICLE 62. To see if the Town will vote to raise and appropriate a sum of money to update the Assessing Department block plan, determine in what manner the said appropriation shall be raised, from taxation or by transfer from available funds, or do anything in relation thereto.

#### Board of Assessors

ARTICLE 63. To see if the Town will vote to amend the By-laws of the Town of Stoneham by adding a new section under Article XII (Miscellaneous Provisions) known as 20B as follows: Article XII, Section 20B. For authorizing the superintendent of streets or other officer having charge of ways, for the purpose of removing or plowing snow, or removing ice, from any way, to remove, or cause to be removed, to some convenient place, including in such term a public garage, any vehicle interfering with such work, and for imposing liability for the cost of such removal, and of the storage charges, if any, resulting therefrom, upon the owner of such vehicle.

#### Traffic Division—Police Dept.

ARTICLE 64. To see if the Town will accept a bequest by the late Edward J. Qualter, said bequest being the net income of 600 shares of Massachusetts Life Fund to be paid in perpetuity to the Public School Department of the Town of Stoneham, Massachusetts, to be used for helping worthy scholars to a better education and to be known as "The T. Richard and William H. Qualter Fund."

#### School Committee

ARTICLE 65. To see if the Town will authorize the Moderator to appoint a committee of five citizens to study the advisability of adopting the standard form of Representative Town Meeting Government for Stoneham as set forth in Chapter 43A of the General Laws, and that the said committee make a report to the Town at the next Town Meeting.

#### Board of Selectmen

ARTICLE 66. To see if the Town will amend the Building Regulations by adding a new section, to be known as Section 30A, to read as follows: Section 30A. Sidewalls. The installation of siding (whether clapboards, shingles, asphalt, aluminum or other material) on new construction and the replacement of siding or the installation of new siding over existing siding on existing buildings shall not be permitted without a permit therefor from the Building Inspector who shall first approve such application of siding. The installation of aluminum siding shall be subject to the approval of the Wiring Inspector, who, before issuing a permit for installation, shall determine whether the siding is to be

adequately grounded so as to reduce the danger from fire, or other hazard. No siding, covering one or more sides of an existing building, shall be installed until a permit for the work has been obtained from the Building and Wire Inspector. The fee for such permit shall be \$3.00.

**Building and Wire Inspector**

And you are directed to have one thousand five hundred (1500) copies of the warrant printed and so serve the same by posting attested copies in at least ten (10) public places in the Town seven (7) days at least before the time for holding said meeting and by causing an attested copy to be published in some newspaper in the Town, the publication to be not less than three (3) days before the said meeting.

The remaining copies you are to have at the place and time of meeting as aforesaid for distribution.

Hereof fail not and make due return of this warrant with your doings thereon to the Town Clerk at the time and place of meeting as aforesaid.

Given unto our hands this 14th day of February in the year one thousand nine hundred and sixty one, A.D.

FRED A. SCHNEIDER  
DONALD J. MORRISON  
STANLEY D. WOOD  
DANIEL L. HURLEY  
Selectmen of Stoneham

A true copy, attest:

UGO M. ROLLI  
Constable of Stoneham
